JAMES WOODROW BREWER
Grand Master 1961-62

JAMES WOODROW BREWER

James Woodrow Brewer, the newly become Grand Master of Masons in North Carolina, affectionately known to his innumerable friends as Jimmy, was born January 23, 1912, in Bethel, Pitt County, the son of Warren L. Brewer and Mary Worsley Brewer, Jimmy being one of six children. His father was Chief of Police of Bethel, and moved to Greenville in 1914, where he served until his demise in 1950, as a valued member of the Police Department, part of the time as Chief of Police.

The Grand Master attended the Public Schools of Greenville, and was graduated from Greenville High School in 1929, and thereafter attended East Carolina College. In August, 1934, he was married to Mary Louise Clark of Greenville, of which union there are three children, Ann, Clark and Judy.

Most Worshipful Brother Brewer is a member of Jarvis Memorial Methodist Church of Greenville, and for many years has been a member of the Board of Stewards. He has served as President and as Teacher of Carson Memorial Bible Class for men, and as President of the Methodist Men's Club, and is an energetic and moving force in all the activities of the church.

For many years the Grand Master has been an active member of the Kiwanis Club of Greenville, and is a part of every movement and activity looking to the betterment and advancement of his city.

During his life the Grand Master has engaged in different lines of business endeavor, and for the last fifteen years has been in the general insurance business, affiliated with Hooker & Buchanan, Inc., and has built an enviable reputation in that field.

Most Worshipful Brother Brewer was initiated in Greenville Lodge No. 284 March 24, 1939, passed April 17, 1939, and raised April 28, 1939. He served as Master of his lodge in 1945, one of the best that lodge ever had, and as District Deputy Grand Master from April, 1946 to April, 1948. He is now a member of Crown Point Lodge No. 708, which he helped form in 1956, along with the other Past Masters of Greenville Lodge No. 284, all of them realizing the need for another lodge in Greenville. He is also a member of the Advisory Council of Creasy Proctor Chapter, Order of DeMolay.

He is a staunch member of the three York Rite Bodies in Greenville: Greenville Chapter No. 50, Royal Arch Masons; Hiram Council No. 18, Royal and Select Masters; and Bethlehem Commandery, Knights Templar.

In 1944, the Grand Master became a member of Sudan Temple, Ancient Arabic Order Nobles of the Mystic Shrine, and is a Past President of Pitt County Shrine Club. In 1947, the then Illustrious Potentate of Sudan Temple, William J. Bundy, appointed him to organize and serve as the first Captain of the Provost Guard of Sudan Temple, in recognition of his outstanding abilities, in which capacity he served with distinction for five years. He is a member of New Bern Court No. 145, Royal Order of Jesters.

In November, 1946, he received the Scottish Rite Degrees in New Bern Consistory No. 3, and immediately, as is the way of the man, became a very active and valuable member; as evidence whereof he received the Investiture of the Rank and Decoration of Knight Commander of the Court of Honor in October, 1951, and the Degree of Inspector General Honorary, or Thirty-Third Degree, in October, 1957.

The Grand Master is a member of Greenville Chapter No. 149, Order of the Eastern Star, and Greenville Shrine No. 7, White Shrine of Jerusalem. He has served as Sovereign Master of Blandford-Bute Council No. 18, Allied Masonic Degrees, and next year will serve as Illustrious Sovereign of Saint John of Patmos Conclave No. 67 of the Red Cross of Constantine. He is a member of North Carolina College of the Societas Rosicruciana In Civitatibus Foederatis.

Most Worshipful Brother Brewer, because of the worth of the man, was appointed Grand Steward of the Grand Lodge of North Carolina in April, 1954, by the then incoming Grand Master, Most Worshipful Brother Robert L. Pugh, and through the succeeding years the wisdom of that appointment has been proved over and over again. Not knowing his qualities, there were some who did not think so at the time, but they are convinced of it now, and he is universally esteemed and admired by all Masons who know him.

Because of his zeal for and devotion to Masonry, his unbounded energy, his work and labors for the Craft and for all that is good, his innate sense of what is right and proper and the doing of it, his love for his brethren and for people, and his all over sterling qualities, the Masons of North Carolina welcome him to the Grand Mastership, for they know that here is a Mason and a man; humble, ready and able to serve in the exalted position as Grand Master.

When his year as Grand Master is over, it is confidently predicted that the Masons of the State will say, "A good man and a good Mason has been among us," and that they will bless his name for having served them so faithfully and so well.

APPRECIATION

This has been an outstanding and a busy year for your Grand Secretary. We have had the privilege of having a most outstanding man as Grand Master during the year 1960-61 and I feel that the Craft should know about some of the things he has done during his year as Grand Master. He has gone to great lengths to cement the ties between our related organizations and ourselves and has attended many meetings which meant nothing to him personally, but which meant a great deal to the Grand Lodge of North Carolina.

Our Grand Master has had the Grand Secretary write a letter to each member of a North Carolina lodge who was reported by a Field Agent of the Masonic Service Association as a patient in a Veterans Hospital. More than 200 such letters have been written during the year to brethren in hospitals all over the United States.

Our Grand Master rented an apartment at his own expense so he could be in Raleigh during most of his year. His presence here has enabled the Grand Secretary to spend many half-days in the office that he otherwise would not have been able to do. In addition to renting the apartment, the Grand Master has paid his own way everywhere he has gone, including his expenses to visit other Grand Lodges and the Grand Masters Conference. He has not asked the Grand Lodge for any of the funds budgeted for the Grand Master's office and travel.

Meetings were held in 56 of the 58 Districts in our State and the meetings scheduled in the other two Districts had to be cancelled due to the ice and snow early in February. We were not able to re-schedule these meetings before the Annual Communication.

The Grand Master has truly brought Masonry to the grass roots Masons in our State, and the Grand Lodge owes him a profound debt of gratitude.

I am sincerely grateful to the Grand Master and to a lot of people in North Carolina for a grand year as your Grand Secretary.

To Most Worshipful Brother CHARLES BAILEY NEWCOMB, Past Grand Master, Past Grand Secretary, I again extend my sincere thanks for his help. He has been most helpful and cooperative from the first day I came to this office, and I am most appreciative of his kind help and friendship.

Worshipful Brother ADAM ANDREW HUSMAN has continued to make an outstanding contribution to the Grand Lodge of North Carolina. He has now helped more than two and one-half years without pay to make our library what it should be, and has been a big help in improving the service in the Grand Secretary's office. Again I wish to extend my sincere thanks to the "Doc."

Bob Sanders and the girls in this office have again contributed mightily to the improvement of the service. They are a fine group of men and women and I am most sincerely grateful to each of them for their very efficient help.

Respectfully submitted,
CHARLES A. HARRIS, P.G.M.,
Grand Secretary

REPORT OF THE CODE COMMISSION

(Docket No. 6)

The following report of the Code Commission was read by W.·.Brother Louis W. Shrier, P.M., received and entered on the record:

To the Most Worshipful Grand Lodge of North Carolina:

ITEM I

No matter has been brought to our attention or referred to us since our last report of April 19, 1960.

ITEM II

We have to report that completion of the text of Volume III of "A Digest of Masonic Law of North Carolina" has been delayed longer than we expected, because of the difficulty experienced in reconciling much of this text with the text of Volumes I and II; also, the difficulty in consolidating the indexes of Volumes I and II with the index for Volume III.

We hope to include in the index to Volume III the indexes to the previous Volumes I and II thereby making one master index for Volumes I, II and III.

This has developed into a larger task than we anticipated when we undertook this work and we have to ask your indulgence that we may solve these problems that have caused the delay in completing this job.

Respectfully submitted,
CHARLES B. NEWCOMB, P.G.M., *Chairman*

REPORT OF COMMITTEE ON FRATERNAL CORRESPONDENCE

(Docket No. 9)

The following report of the Committee on Fraternal Correspondence was read, received, entered on the record, and unanimously adopted *as to recognition and fraternal relations with the Grand Orient of Italy:*

To The Most Worshipful Grand Lodge Of North Carolina:

The Committee on Fraternal Relations begs to submit the following report:

In recent years we have received requests from three separate Grand bodies in Italy. Because of this confusion, we felt that none should be recognized. Now due largely to the work and influence of Sovereign Grand Commanders Smith and Bushnell and of an Italian-American brother, the Grand Lodge of Italy has united with the Grand Orient. This body now seems to be entirely regular. We, therefore, recommend that the Grand Lodge of North Carolina recognize the Grand Orient of Italy and establish fraternal relations with it. However, we must warn brethren visiting in Italy that the body known as the Serenissima Grand Lodge still remains outside and is not recognized. Care should therefore be taken in Masonic visitation. It is hoped that this body will soon join with the Grand Orient and that complete unity will soon be established in Italian Masonry. (SEE NOTE at the end of this report.)

The situation in France remains unchanged. We have had many communications from the Grand Lodge of France. The Grand Master is striving with all his force to make that body regular in all respects. The Grand Lodge has withdrawn recognition of the Grand Orient and has forbidden intervisitation with it. It has ordered the presence of the Three Great Lights in all lodge rooms. Attempts to secure union or even fraternal relations with the National Grand Lodge which we recognize have failed. Under these circumstances we deem it advisable to withhold recognition of the Grand Lodge of France and recommend

no action. We should warn the brethren to be careful if a French visitor appears to determine to which Grand Lodge his French lodge belongs.

(Brethren, I put that in because this past year an American who joined a lodge in Paris thinking he was joining a regular lodge joined a lodge known as the American Union Lodge in Paris which was under the Grand Lodge of France. He tried to visit in North Carolina, he tried to join one of the coordinate bodies in North Carolina, and he found himself in trouble because his lodge was not recognized. So be very careful if you have visitors to make sure what you are dealing with.)

The new Grand Lodge of Belgium is making satisfactory progress. It has added three new lodges to the eight which constituted it. The Commission on Information for Recognition of the Grand Masters' Conference reports it as fulfilling all conditions of regularity. However, it is a very young body and we feel it should have a little longer to prove itself. We therefore recommend that action on its request be postponed without prejudice.

We are happy to report progress toward peace and harmony in Mexico, Guatemala and Brazil. In the last-named, the Commission reports that all of the State bodies have signed treaties of amity with the Grand Orient, which body is recognized by the Grand Lodge of England but not by any of the Grand bodies in the United States.

(Again, brethren, Any Brother visiting in South America and Brazil must be careful what lodge he is visiting.)

The situation in Cuba is desperate. Last fall the Grand Master declared a recess in Masonic activities and left for Florida carrying the Great Seal of the Grand Lodge with him. Later the Deputy Grand Master, Grand Treasurer and Grand Secretary endeavored to leave. The passport of the Deputy Grand Master was seized at the airport. He took refuge in the Venezuelan Embassy and is now in Caracas. The other two reached Florida where with the Grand Master they have been under the protection and support of the Grand Master of Florida. It is understood that they are hoping to establish a Grand Lodge of Cuba in exile in Florida. The Grand Lodge building in Havana was seized. The Grand officers at the Grand Masters' Conference told us that it is used as a barrack for Cuban militia. Some confusion exists as to Grand Lodge records. According to one statement, they are safely hidden; according to another, they were confiscated. In either case they are not available.

Meanwhile in Cuba, the Senior Grand Warden took over. He is a follower of Castro and claims to be the rightful head of Masonry in Cuba. In a message dated January 15, 1961, received by us he declared that the superior officers left Cuba for personal reasons and without interference by the government. He affirmed that the 342 Masonic Lodges were meeting normally and securely and that no man had suffered for his Masonic connection from the government. "We are Masons and Cubans...in the face of the threat that our nation may be attacked and destroyed by foreign invaders, the true Masons... will know how to perform our duty." He appointed a Grand Secretary. The Commission of the Grand Masters' Conference reported "Certainly it seems that our Grand Lodge cannot accept communications coming from the Havana group as coming from a recognized Grand Lodge."

Evidence exists that at least one lodge is still meeting in Havana. However, it seems impossible for Cuban Masons in this country to communicate with their lodges, pay their dues and receive their dues cards. Accordingly, the question has already arisen as to how they should be received in North Carolina. Shall they be allowed to visit our lodges? One Cuban brother wishes to apply for the degrees in a coordinate body but has not been able to establish himself as a Master Mason in good standing. For this a ruling from the Grand Lodge is felt to be necessary, since any action taken now would be in violation of Grand Lodge law. Accordingly, we request such a ruling.

Respectfully submitted,

WALLACE E. CALDWELL, P.G.M., *Chairman*

(NOTE: Since the writing of this report and the adoption thereof, it has been learned through official channels that the Serenissima Grand Lodge is now a part of the Grand Orient of Italy. 5-31-1961. CAH,PGM,GS).

(Docket No. 12)

The following resolution to amend Regulation 30-06 was read, and referred to the Committee on Masonic Jurisprudence:

All of the provisions of THE CODE and all rules of the said Board now existing or that may be hereafter enacted governing the issuance and use of the said Official Standard of the Work, particularly Regulation 30-02, shall apply in any such case under this subdivision.

Any deposit of money made pursuant to this subdivision shall not be refunded in any case, but shall be considered as cost, and expense, of issuing the Official Standard of the Work.

Replacement of any such copy issued under this subdivision, because of loss, wear and tear, or useless condition, except where such useless condition may be due to fault in its manufacture, shall be subject to another application and deposit as in the first application.

BE IT FURTHER RESOLVED, That this subdivision shall become effective upon its adoption and when it becomes effective all previous laws and enactments of the Grand Lodge, except the Constitution, which are in conflict therewith are hereby repealed to the extent of such conflict. [111-01(6)].

REPORT OF THE COMMITTEE ON MISCELLANEOUS MASONIC CEREMONIES

(Docket No. 18)

M.·.W.·.Brother Robert L. Pugh, P.G.M., Chairman, presented the following report of the Committee on Miscellaneous Masonic Ceremonies which was entered on the

record and referred to the Committee on Finance, with the exception of that portion relative to the changing of the title of this Committee which was referred to the Committee on Masonic Jurisprudence. The portion referred to the Committee on Finance was approved (See Docket No. 50 on Page 168 of these Proceedings). The portion referred to the Committee on Masonic Jurisprudence was carried over to the next Annual Communication. (See Docket No. 49 on Page 163 of these Proceedings) :

To the Most Worshipful Grand Lodge of North Carolina:

In accordance with the instructions of the 1960 Annual Communication of the Grand Lodge, your Committee on Miscellaneous Masonic Ceremonies has edited and published the following Handbooks:

Handbook for the Master
Handbook for the Secretary
Handbook for the District Deputy Grand Master
Handbook for the District Deputy Grand Lecturer

These Handbooks were prepared by the committees assigned to that responsibility and it can be said that they did their work well. Due credit is given them in each of the Handbooks.

The Handbooks have been issued in a temporary form, with all Handbooks included in the one volume. It is the thinking of the Committee that we should not release them in a permanent type of binding until our brethren have had opportunity to study them, and to make suggestions for their improvement. Their distribution is recommended as follows:

Three(3) to each lodge: one for the Master, one for the Senior Warden, and one for the Secretary.

One to each District Deputy Grand Master.
One to each District Deputy Grand Lecturer.
One to each Grand Lodge Officer.
One to each Past Grand Master.
One to each member of Handbook Committees.

During the past year the Grand Master authorized the Committee to prepare an Installation Service for the Grand Lodge Officers. This proposed service has now been prepared and published. It will be used at this Annual Communication for the first time, and, incidentally, it is so constructed that it can be adapted to an Open Installation, such as ours will be on this occasion.

There is much that needs to be done in North Carolina to make available to our brethren more information on Masonic topics, and continuous improvement in the ceremonies that we use and should use.

For example, our in-coming Grand Master is keenly interested in a Memorial Service that will reflect more impressively our love for our departed brethren. Such a service, as well as the Installation Service which we have already described, and other services and topics of general and standard Masonic interest, should be included in our book of Masonic Ceremonies. This does not seem to be the proper time, however, to suggest such a revision of our Book of

Ceremonies. The Committee feels that we should continue to use what we have for at least a year and to make such a recommendation in its report next year.

In the meantime, the Committee would like to proceed with the preparation of such a Memorial Service and with the publication in pamphlet form of such items of Masonic interest as might challenge the attention of our brethren. For example, there is a definite need for the publication of a Masonic pamphlet that can be issued to the petitioner as soon as his petition has been approved, with the insistence that his wife be urged to join him in a study of it. There is need for a pamphlet on general counsel and suggestions for the officers; for commentaries on the significance of the symbols and allegories pertaining to Ancient Mysteries; for the Investigating Committee; for a complete Masonic calendar; for a study of the Festival Days; for the Ancient Landmarks of Masonry; and many others.

The Committee would like to proceed with such a task during the year. Following that, we might give consideration to determining which topics should be included in permanent binding.

For the purpose of continuing such studies and publications as are herein recommended, the Committee requests an appropriation in the sum of twenty-four hundred dollars ($2,400.00).

In view of the Committee's recommendations for additional publications during the coming year, it is believed that the title of the Committee should be changed to conform to its anticipated functions, and it is therefore recommended that the title of the committee should be "Committee on Masonic Ceremonies and Miscellaneous Publications."

Respectfully submitted,

REPORT OF THE REPRESENTATIVE TO THE GEORGE WASHINGTON MASONIC NATIONAL MEMORIAL ASSOCIATION

(Docket No. 19)

The following report of M.·.W.·.Brother Robert L. Pugh, P.G.M., Representative to the George Washington Masonic National Memorial Association, was read, entered on the record, and referred to the Committee on Finance, and also to the incoming Grand Master:

To the Most Worshipful Grand Lodge of North Carolina:

The George Washington National Memorial Association was convened in the auditorium of the imposing Memorial at ten o'clock on the morning of February 22, 1961, with the president, Brother Cliff Jory, presiding. A most gracious welcome was extended by the Most Worshipful Grand Master of Virginia, and the Association then proceeded to attack the business at hand. The principal item was the annual report of the president, which was the story of the fifty-one years of the history and growth of the Association, having been born fifty-one years ago when the Grand Masters of the United States

received an invitation to meet on February 22 of that year for the purpose of creating a memorial that would forever perpetuate the ideals of our greatest American and our first President. It was agreed at that time that a memorial such as now stands on Shooters Hill in Alexandria should be attempted, and that the Association should proceed only on a "pay as you go" basis. That policy has been followed from the very beginning. More than seven millions of dollars have been spent on land acquisition, construction, etc. The building is complete on the inside even now with the dioramas, which were prepared for and have been installed in the Assembly Room. The great need now is to provide more publicity in our lodges concerning the Memorial. Incidentally, much space and attention have been given to the Memorial in the new Handbook for the Masters, which has recently been completed and is now available for distribution. More than one quarter of a million people visit this imposing structure each year. Lodges interested in programs would surely do well to avail themselves of the slides that are available at no expense to the lodges. Several sets of these are now ready and can be had only for the asking.

The tremendous problem now is the constantly increasing expense of maintenance and upkeep. As one man has expressed it, "Now that we have it, can we afford to keep it?" This question, my brethren, must be answered in the affirmative.

To implement this thought and this resolve, I wish to quote again the resolution which was included in my report of last year, which resolution was introduced by Most Worshipful Brother John Hesse, Past Grand Master of the Grand Lodge of Maryland, and who during this last meeting of the Memorial was elected to the presidency of the Association succeeding Brother Jory. For purposes of a suggestion which I wish to recommend near the close of this report, I wish to quote this resolution in full.

"Resolved that whereas the time has arrived when every Grand Lodge member of the George Washington Masonic National Memorial Association and every Blue Lodge operating under the several Grand Lodges, members of the Association, should make the necessary financial effort to enable the George Washington Masonic National Memorial to be fully opened and operated, and that the endowment fund should be completed;

"Therefore be it resolved that each Grand Lodge be requested to contribute an amount equal to ten dollars per lodge within its Grand Jurisdiction, said contribution to be forwarded to the George Washington Masonic National Memorial Association as soon as possible.

"Be it further resolved that if the Grand Lodge members of the Memorial Association are in a position to underwrite the contribution, that same be done and the contribution forwarded as soon as possible to the Memorial Association, these contributions to be used during the present year of 1959 for the purpose of operation and maintenance of the Memorial:

"Be it further resolved that each Grand Lodge endeavor to immediately solicit one dollar from each individual Mason within its Grand Jurisdiction, said amount to be paid into and become a part of the endowment fund of the George Washington Masonic National Memorial Association."

As I said, this resolution was unanimously approved, and it is hoped that a sufficient number of the Grand Lodges will provide their wholehearted approval of it. Maintenance of the Memorial is a tremendous item. During the last years it has averaged $85,000, whereas actual receipts have averaged only $45,100.

This presents quite a challenging question to North Carolina, and your representative believes that at the present time, while we are not in position to give adequate consideration to all the implications of such a request, yet it is possible for us to make a beginning. With the permission of the incoming Grand Master who is heartily in favor of this plan, your representative would like to recommend that the Grand Lodge of North Carolina adopt this resolution and that it be implemented over a four-year period. This would mean that during these four years each lodge in North Carolina would attempt to provide for this fund twenty-five cents per member. Over the four years, of course, this would amount to the recommended one dollar per member. The amounts collected would be forwarded to the Grand Secretary and held in trust to the credit of that subordinate lodge until the full amount is realized. At the end of the four-year period when North Carolina has completed its collection of the fund, amounting to one dollar per member, the Grand Lodge itself during the year following that four-year period would allocate a sum equal to ten dollars for each subordinate lodge. At the end of that time, this would make it possible for North Carolina to contribute an amount of approximately $100,000.

Through this means the Association is seeking to create an endowment fund in the amount of $5,000,000. This fund thereafter would provide enough to maintain the building without any further contributions from the member Grand Lodges except as such members desire to make voluntary contributions. It should be stated that at the present time there is something over one and one half million dollars in the endowment fund. Whenever contributions are made for this purpose, the check should be made payable to the member's lodge, and if it is earmarked on the back for the George Washington Memorial Association, it will be tax free. Contributions of one hundred dollars or more entitle you to life membership in the Memorial Association. Your name will be suitably inscribed on the roll of honor, and a beautiful personal citation will be sent to you. This contribution is also tax free.

This resolution which was presented by the Endowment Fund Commission, was unanimously adopted and each representative is making an earnest effort to have his Grand Lodge participate in this most worthwhile program.

Pending action upon this recommendation, it is recommended that the Grand Lodge of North Carolina continue its customary appropriation of $1,000 to the Memorial.

In view of the fact that the Most Worshipful Grand Master Brother Laurence Eaton, Grand Master of Masons of the Commonwealth of Massachusetts, is present with us on this occasion, I am happy indeed to include this comment. I have in my possession a copy of a very beautiful brochure that the Grand Lodge of Massachusetts has prepared. It is a four-page brochure containing pictures of the interior and outside of the Memorial and a very stirring letter from

the Grand Master. This brochure is mailed to each Master Mason in the Commonwealth of Massachusetts, and in it the Grand Master has made a very stirring appeal to each member asking for individual contributions to enable them to raise their quota of $135,000 from 100,000 Masons in their state. They are seeking to raise theirs in one year, but your representative is conscious of the fact that we have other obligations in North Carolina that we at the present time are seeking to meet, and that we must give consideration to the urgency of these great needs. It is felt that spreading this campaign over a period of four years will not create a hardship on any lodge, or on any current project for which funds are now being raised. Of course, if any lodge wishes to make the full contribution of one dollar for each of their members at one time, it will be graciously received and the lodge given credit therefor.

Respectfully submitted,
ROBERT L. PUGH, P.G.M., *Representative*

REPORT OF THE REPRESENTATIVE TO THE MASONIC SERVICE ASSOCIATION OF THE UNITED STATES

(Docket No. 20)

The following report of M.·.W.·.Brother Robert L. Pugh, P.G.M., Representative to the Masonic Service Association of the United States, was read and entered on the record. The recommendation that the Grand Lodge continue its membership in the Masonic Service Association of the United States for the ensuing year was adopted unanimously, and the matter of finances was referred to the Committee on Finance:

To the Most Worshipful Grand Lodge of North Carolina:

The forty-second annual meeting of the Masonic Service Association of the United States was held in the South American Room of the Statler Hotel February 23, 1961, at nine-thirty o'clock in the Capitol City of our country. The meeting was called to order promptly by Most Worshipful Brother William P. Sturtz, Past Grand Master of Minnesota and Chairman of the Masonic Service Association. After the invocation by the Reverend Edward G. Latch, Grand Chaplain of the District of Columbia, the secretary called the roll of the member grand lodges and a welcome was thereafter extended by Most Worshipful Brother Ralph M. Wolfe, Grand Master of the District of Columbia. The principal item of the program and the one with which this report shall be concerned, however, was the report of the Executive Commission, which was presented by Brother Sturtz, the chairman of the Commission. His report was as usual divided into two parts: first, the general activities of the Association; and second, the program of Hospital Visitation. In the program of General Activities, attention was directed to the fact that with respect to printed material prepared and distributed by the Association during the year, all of the *Digests*, the *Short Talk Bulletins*, the programs, the reports, etc., are distributed to the various Grand Masters, the Deputy

Grand Masters, the Grand Secretaries, and to such District Deputy Grand Masters and heads of committees, and present and past Grand Lodge Officers, as the member Grand Jurisdictions designate. During the preceding year twelve very interesting *Short Talk Bulletins* were published and distributed, bulletins which could make excellent programs for our lodges. And, incidentally, many of our lodges are making appropriate use of these bulletins. The Association also stands ready to assist any lodge with printed material on almost any Masonic subject. The Executive Secretary of the Association, Brother Cunningham, is always anxious to extend a helping hand to anyone who writes for assistance.

Lodges in North Carolina are directed now to the new Handbook which has been prepared by the Grand Lodge of North Carolina, in which there is considerable attention given in the Master's Handbook to the types of materials for programs that are available by and through the Masonic Service Association. Since the information along this line in this Handbook is very complete in itself, it is unnecessary for this report to give further attention to the material preparation as one of the functions of the Masonic Service Association.

The Hospital Visitation Program continues to exemplify the great heart of Masonry in a manner easily recognized and greatly appreciated by those who have no other contact with us. The extremely limited finances of the Association still prevent expansion of this program to areas that need such a service so very badly. For example, there are still two veterans' hospitals in North Carolina that do not have this program available to them. North Carolina does have at the present time two hospital representatives, one who takes care of the hospitals at Camp LeJeune, Fayetteville, and Fort Bragg, and the other who takes care of the hospital at Oteen which also includes a division at Swannanoa. Numerous bedside visits to sick Masons are made in North Carolina, and as usual the cost of such a service to the Association for this great humanitarian program far exceeds the amount contributed by North Carolina to the Masonic Service Association for this purpose. Thus North Carolina in no true sense of the word is adequately supporting this great program, a beautiful example of Masonry in action and one which must be continued at all costs.

It is recommended that the Grand Lodge of North Carolina continue its membership in the Masonic Service Association with the payment of dues which have been in the amount of approximately $1500.00 and that we furthermore continue our participation in the Hospital Visitation Program by allocating the sum of $3,000 for this purpose in the budget for the coming year. Both of these items are the same amount as was provided in our budget for the preceding year.

Respectfully submitted,
ROBERT L. PUGH, P.G.M., *Representative*

REPORT OF THE SPECIAL COMMITTEE ON GRAND LODGE LIBRARY

(Docket No. 21)

The following report of the Special Committee on Grand Lodge Library was read, entered on the record and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

The Grand Lodge Special Library Committee wishes to submit for consideration by the Grand Lodge the following report and recommendations:

Since the last annual communication of the Grand Lodge we have examined the books and records in the library and found conditions greatly improved. Much of the available materials have been repaired and reallocated, making them more compact and readily available for ready and handy reference

We found the books and bindings of the old minutes of the Grand Lodges in urgent need of repair and recommend that estimates be secured from reliable sources as to the approximate cost that will enable the correction of this situation.

We recommend that when these old hand written proceedings of the Grand Lodge have been rebound, they should be placed in a fireproof vault.

The other members of the library committee wish to thank Brother Adam A. Husman and commend him for the many long hours he has spent at no cost to the Grand Lodge in arranging the library books and records in such a splendid manner.

Respectfully submitted,

ADDRESS OF THE GRAND ORATOR

(Docket No. 33)

The Grand Master recognized and presented W.·.Brother Robert W. Safrit, Jr., P.M. (109), Grand Orator, who delivered the following oration:

Most Worshipful Grand Master Smith, Most Worshipful Sirs, Right Worshipful Sirs, Worshipful Brethren and Brethren:

To all of us, to whom something is dear, we expect and hope that it will grow in virtue and in strength, and be a rewarding experience for all men, so it is with our Masonic Order, I can say to you tonight that this has been a good, and great year for the Order in North Carolina. Our Grand Master has traveled the State. He has visited the Lodges and met the Brethren. He has met with all the District Meetings, with the possible exception of two or three. From all reports, Masonry is on the move in North Carolina. One is amazed to discover the unity of thought and purpose that this collection of Masons in North Carolina possess. I wish to thank Brother Smith for the honor that he has bestowed upon me, to speak to you about some questions that we as Masons should consider.

For some time we as a nation have been talking, and considering our loss of national purpose. To those of us today, we might get the idea that this problem never bothered Americans in days gone by—History tells us that Jefferson at one point glumly figured the nation would start going downhill as soon as the Revolutionary War was over. We have heard of Lincoln's black moments of despair. Emerson in his time deplored the loss of national purpose in terms strikingly

similar to those we are hearing right now; he criticized a nation swamped in mediocrity and materialism, spending money on trifles, seeking "fine garment, handsome apartment, access to public houses and places of amusements."

The criticisms raised and the questions asked were not without point then, nor are they today. They are without doubt inevitable in a free nation whose people are highly individualists, and often in the thinking man. Yet perhaps there is a difference. In times past the voices raised in denunciation sought reformation of individual man, or a religious or cultural revival. Long ago, one Martin Luther raised the denunciation which resulted in the creation of protestant churches —which since has been the joy of all Christian people, and many Americans have been thrilled by it, it was not a government project, people were not forced to pay for it. It was the sum total of millions of individuals, availing themselves of opportunities, and risking dangers for the purpose of building a better life for themselves, their families and their descendants as individuals.

Then let us consider our Masonic purpose. It may be that perhaps there are brethren among us—who may wish to say, and those who can say with a reasonable amount of candor—that we are not the same today as we were when we first sought and became a part of Masonry. Maybe the zeal for the institution which we once knew has begun to weaken in our minds, and our intent has resulted in our thinking of a loss of Masonic purpose.

In the days of our childhood, as in the time when we made our entrance into the craft—there were three things to abide in men forever—we know them as faith, hope and charity. So let's start from the end and work to the beginning.

It has been said that the greatest of these was charity, and it is because of charity that life extends beyond the grave through the boundless realms of eternity. For charity, in those early days meant something that man could bestow upon the less fortunate, that would give him in effect a "lifted up" appearance, whereby all mankind would say well done—charity meant a divine love for man, the benevolence of all men of good will toward their brethren. It was kind. It envied not. It vaunted not itself. It was not puffed up—it was not gained simply by bestowing all one's goods to feed the poor, because it was a thing of the heart without which man was nothing. So it was a word such men as Jefferson could use with dignity. Martin Luther could use with self assurance. John Wesley could use with reverence to the diety. A word which good men of all ages could use deeming it the duty of each man by himself, and all men joined together to show it toward their neighbors and brethren, it was an honorable word with which to bespeak the responsibility of the whole community for those among it who were old, sick or otherwise unfortunate. In our time, in the twentieth century, let us ask the question, has charity lost its meaning, has it lost its purpose? We are inclined to believe that it has lost much of its meaning, and those who read the message of St. Paul were constrained to speak only of love, a word of so many meanings as to have no meaning at all. Charity, a word from which good men shy as they arise to speak on the floor of the United States Senate. But surely it is not "Demeaning" for a man struck down by what he cannot help to be helped by his fellowman. There is no shame for the blind in being led by those

who can see. We do not know the word for this new Spirit, but whatever it is, it has no kindness. We are not old-fashioned enough to wonder, if charity is to be lost to this new spirit, but if we are, then how long there will abide faith in every man's dignity and the hope that it will ever be preserved.

We have also been admonished to have hope in immortality and we also know that hope ends in fruition. Hope, someone has said is the anchor of the soul. Hope is a beautiful word, and how fortunate the life that has been surrendered to it. Hope is just as beautiful as hopeless is ugly, just as bright as hopeless is dark, and just as desirable as hopeless is repulsive. Hope looks forward. If there is a backward glance, it is only to relate yesterday to tomorrow; to find through what has been, reassurance and strength for what is to be. Then hope looks forward to something, in sickness we hope for health; in want we hope for plenty; in disaster we hope for deliverance. Hope looks forward with anticipation. Hope dwells in our atmosphere of expectancy, perfumed with desire. Hope is a sure and steadfast anchor. It anchors us safely in such tempests as doubt, ridicule, persecution, and suffering.

We are also admonished to have faith in God—and that faith may be lost in sight. In the meaning of faith we learn the real purpose of God. It should be a cause of great joy to every Mason that the Heart of God is full of love and compassion for His creatures, and that He desires only that which is for their good. And as the psalmist of old cried, "When I consider Thy heavens the work of Thy fingers, the moon and the stars, which Thou has ordained; what is man, that Thou are mindful of him? and the son of man, that Thou visitest him."

We therefore enter into the care and concern of God. We are in His plans. His purpose includes us. From the first, the fulfillment of God's purpose required the active cooperation of man, for He could not violate man's freedom of will. So it was down through the ages, man has responded and entered into the eternal scheme of time. Wherever the teachings of the Fraternity are exemplified, Brotherly Love, Relief, and Truth still prevail.

To every man these tenets are reviews in a different light. Their meaning is clear to all humble thinking men—There are others who realize that more is required, and they seek to discharge all responsibility to God by giving support to some non-essential activities—and others to worthwhile institutions.

We look down through the ages and try to determine the things that make men great: the things they say or the deeds they do, that abide in generations forever. Few realize that Moses was to lead his people into the Promised Land, but all remember that it was through Moses that the Jehovah God made the commandments living laws that extend to our present generation, and shall not cease to be known until the heavens shall be no more. Few of us can recall any of the deeds of Lincoln, but every school child knows his Gettysburg address and has memorized it. Because it was a thing of the heart, Martin Luther's name lives because he had faith in God, which enabled him to possess the courage to nail the edict on the door for all men to see. It would therefore seem that the things that were dear and worthwhile to men centuries ago, are still the things that are from

the heart of men. They are the words and deeds which man does, that reflect the expression on one's face as being from the heart.

"You don't have to tell how you live each day,
You don't have to say if you work or play,
A tried true barometer serves in its place,
How ever you live it will show in your face.
The false, the deceit that you bear in your heart,
Will not stay inside where it first got it's start.
For sinew and blood are a thin veil of lace,
What you carry in your heart you show in your face.
If your life is unselfish, if for others you live,
For not what you get, but how much you can give,
If you live close to God in His infinite Grace,
You won't have to tell it, it will show in your face."

Brethren, there is purpose for man. There is a purpose for the membership of the Craft. So why not to-night, as we gather to enjoy the festivities of this grand occasion, ask ourselves, what does the Grand Artificer of the universe expect of us, and what is it, that He requires of each individual? If we can answer these questions as a thing of the heart, then, brethren, we have found the true meaning of our continued faith in the Fraternity, the necessity of hope for our deliverance, and the work of charity as the means of our understanding of the Christian religion.

"He had shewed thee, O Man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with Thy God."

REPORT OF THE GRAND MASTER

(Docket No. 34)

M.·.W.·.Brother Harvey Ward Smith, Grand Master of Masons in North Carolina, delivered the following report, which was referred to the Board of General Purposes. (SEE Pages 115 and 171 of these Proceedings for the distribution of the report) :

To the Grand Lodge of Ancient Free and Accepted Masons of North Carolina.

I bid you welcome to this our one hundred seventy-fourth annual communication, being held for the first time in this historical city of New Bern since 1792.

It is with pride, but with a distinct sense of humility, that I address you this evening, and prepare to preside at this important occasion. May the things we say and do here reflect the firm foundations builded by our predecessors. May we continue the service to our fellow man, based on the teachings which have been proven by the test of time during the past hundred and seventy-four years.

I appreciate and thank you for the opportunity to serve you as Grand Master, and I hope I have conducted myself and the office to your satisfaction. It has not only been a very busy year, but a very pleasant and enjoyable one.

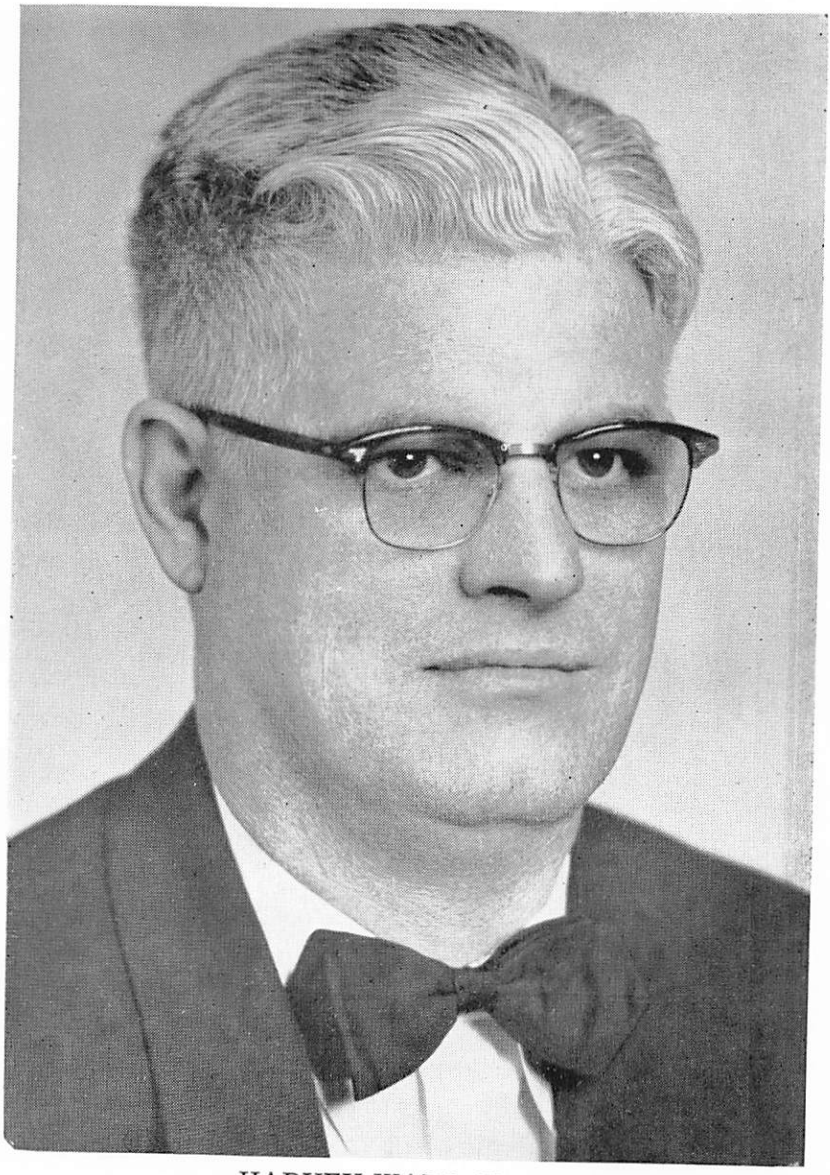

I remind you that this is your Grand Lodge session, and I urge you to participate in it. Every delegate has the privilege of the floor, and each delegate has a vote. There will be many important matters which will require your serious consideration; may the things we do here reflect credit to us in the future.

NECROLOGY

During the past year the working tools have slipped from the hands of approximately 1,062 of our brothers. A few short months ago they were by our side. We know that we will again see them in that Grand Lodge above, where the Supreme Architect of the Universe forever reigns; so we mourn them not as those who have no hope.

DISTRICT DEPUTY GRAND MASTERS

I am grateful to have had the loyal support of our District Deputy Grand Masters. The Grand Master must rely very heavily on his District Deputies to keep in touch with the brethren in the Districts. With very few exceptions, the District Deputies appointed this year have done a good job, and I have been very proud of them. However, sometimes it

seems that there is not enough emphasis put on the importance of the position.

Most of this unimportant feeling existing is my fault for not realizing that many of the District Deputies were new and uninformed. I failed to lay out programs and instruct them properly. I recommend that Grand Masters in the future give their deputies more instruction and advice.

HONORARY TITLE OF PAST DISTRICT DEPUTY GRAND MASTER

I recommend that the Grand Lodge grant the honorary title of Past District Deputy Grand Master to the following named brethren, each of whom is qualified therefor in accordance with the provisions of Regulation 12-05 of THE CODE:

CONSTITUTIONS, DEDICATIONS, INSTITUTIONS, CORNERSTONES

This year we have had numerous ceremonies of Constitutions, Dedications, Institutions and Cornerstone Layings. I have attended each one which was held within the jurisdiction during the year.

DISTRICT MEETINGS

I visited all of the Districts with the exception of two. To me these meetings are most important. It is one of the few opportunities the Grand Master has to meet with the brethren of the District. It would be in the interest of Masonry if the Grand Master would work closer with his District Deputies to have instructive programs and also to promote largest possible attendance at these meetings.

OUT-OF-STATE VISITATIONS

Because of a heavy schedule I was unable to attend more than four out-of-state Grand Lodges, the four being South Carolina, Louisiana, Mississippi and Pennsylvania. All of the Grand Jurisdictions have the same problems we have, and it was interesting to see how they handled them and advanced ideas to overcome them.

VISITATIONS

As the opportunity presented itself, I visited the Grand Chapter, Order of the Eastern Star, state assembly Order of Rainbow Girls, state conclave Order of DeMolay, Oasis and Sudan Shrine Ceremonials and many other occasions that I was invited to attend as Grand Master.

OFFICIAL OPINIONS

Opinion No. 1

I have your letter of May 16th together with the file on the membership of Brother Louis Ballenberger, who was raised in Harper's Lodge No. 225, South Carolina, in 1911 and transferred to our Hamlet Lodge No. 532 in 1945. It is noted that he was suspended for nonpayment of dues for brief periods in 1939 and 1943 in the South Carolina lodge, but that he was soon restored and has paid dues for each and every year continuously since he was raised.

I note your question, "if a member has paid dues in full for each year and continuously for a period of 25 years or more, does this constitute continuous membership to the extent that the Grand Secretary's office can issue a 25-year Service Award?"

My answer to this question is YES. It is my feeling that if a member has paid dues continuously for a period of 25 years or more, although he might have been non-affiliated for brief periods during those years because of exclusion or demission, the fact that he has paid dues in full for each year during that period, should constitute continuous membership, and I therefore so rule.

In the case of Brother Louis Ballenberger, I suggest that you notify the Secretary of Hamlet Lodge No. 532 of this decision and ascertain from him the date on which he wishes to make this presentation. Also, you will be guided by this decision in issuing future Service Awards.

(NOTE: Official Opinion No. 1 was set aside and disapproved by the Grand Lodge and referred to the incoming Grand Master for his attention and recommendations. See Report of Committee on Masonic Jurisprudence on pages 162 and 163, under Docket No. 49. CAH, PGM,GS).

Opinion No. 2

Replying to your inquiry, I give you an opinion on these facts:

About thirteen years ago Brother Benjamin Allen Hooker received the First Degree in Taylors Lodge No. 345, South Carolina, on November 26, 1946; he was granted a demit, or the equivalent Waiver of Jurisdiction on November 13, 1956, by Lodge No. 345, South Carolina, and petitioned our Corinthian Lodge No. 542 for the Second and Third Degrees. Because he had forgotten every item of the First Degree, our

Lodge No. 542 again conferred on him that Degree on April 11, 1960. You wish to know which date should govern his initiation, November 26, 1946, or April 11, 1960.

It is my opinion, since it is a fact of record, that this brother was actually initiated on November 26, 1946, in Lodge No. 345, South Carolina, in due form and without any irregularity; therefore, our records must agree with that date for his initiation.

A lodge is not authorized to confer the same degree twice on the same candidate, unless ordered by the Grand Master under Regulation 94-05 to heal irregularities occurring when the degree was conferred. Such procedure does not *positively identify* the candidate as required in Regulation 83-29, which governs the procedure in this case.

This petitioner, having received the First Degree in due form and without irregularity, is forever thereafter an Entered Apprentice from that date, and to attempt to confer the same degree on him again makes no change in the fact that he was already an Entered Apprentice.

Opinion No. 3

You ask for a ruling in this case upon the following facts:

Brother Reverend Thomas Arthur Groce, Sr., was a Fellow Craft of Monaghan Lodge No. 251, South Carolina; his lodge requested our Hominy Lodge No. 491, to confer the Third Degree as a courtesy, which request was conveyed to our Blackmer Lodge No. 170, and the Third Degree was conferred on him by our No. 170 at a meeting of the 39th Masonic District on October 20, 1916.

Without a demit, or other authority from the South Carolina Lodge, his name was placed on the active membership records of our Hominy Lodge No. 491, the exact date unknown, and he has paid dues to that lodge from an unknown date until he was made a life member therein, date unknown, all of which is void.

No demit from the South Carolina Lodge has ever been applied for and none has ever been granted; therefore, he has been since October 20, 1916, the date he was Raised, and is now a member of Monaghan Lodge No. 251, South Carolina.

Ministers do not pay dues in the lodges in South Carolina.

The conferring of Life Membership and presenting the Grand Lodge Service Award, for twenty-five years continuous membership by our Lodge No. 491, are both void, because our lodge had no jurisdiction over Brother Groce.

If Brother Groce desires to transfer his membership to our Hominy Lodge No. 491, the procedure is found in Regulation 83-20, and with such adjustment of financial matters as may be agreed upon between the Brother, the two lodges involved, and our Grand Secretary.

Opinion No. 4

With reference to our conference held on June 23, 1960 in Charlotte with the special committee appointed last year by Grand Master W. Eli Hand to investigate the affairs of Phalanx Lodge No. 31, I am listing on the attached five (5) pages the names of the thirty-

three (33) members and former members involved, and issuing instructions for the completion of each case.

You will issue such directives as may be necessary and add or delete names from the returns of this lodge for the years indicated in each case, and will adjust all financial matters with the lodge accordingly.

In the matter of the one (1) member of Phalanx Lodge No. 31 covered by Grand Master Hand's Official Opinion No. 4, and the five (5) members covered by his Official Opinion No. 5, you will adjust the records and issue directives in accordance with these opinions. These six cases are the first six names listed on page 1 of the attached list.

The cases numbered 7 through 33 are not covered by Grand Master Hand's Opinions and are, therefore, new cases and must be settled in accordance with the instructions given in each case.

The Secretary of Phalanx Lodge No. 31 is instructed to make marginal notations in the minutes of the lodge in all cases involving specific dates.

The Special Committee appointed by Grand Master Hand and continued by me is composed of Brother Frederick H. Trethewey, Chairman, and W. Edward Burrier and Clarence R. Welch. In addition to the Grand Master and the Grand Secretary, others in attendance at this conference were Brothers William W. Mims, Jr., Thomas J. Mann, Master, and Ben C. Maffitt, Jr., Secretary of Phalanx Lodge No. 31. Brother Maffitt also acted as Secretary for the conference.

It is hoped that these rulings will bring the affairs of this lodge up to date.

Opinion No. 5

Your letter of July 15, 1960, regarding the Petition for the Degrees of Mr. Edward Samuel Bowling has been brought to my attention, and these facts appear from that letter and also the file of the Grand Secretary in this case:

The petition is dated May 25, 1960; it was read and received by your lodge (Buffalo Lodge No. 172) on June 6, 1960; the petitioner was rejected on July 4, 1960.

All requirements as to the procedure for handling petitions for the degrees were complied with, EXCEPT, the petition had not been properly certified by the Grand Secretary, since the petition had to be returned to your lodge for correction. Therefore, the ballot taken on July 4, 1960, was a violation of Regulations 73-13 and 76-01.

The rules declare a ballot to be illegal and void if the petition for the degrees has not been certified by the Grand Secretary before the ballot is taken; therefore, in order to comply fully with Regulation 76-01, it is Ordered that the Grand Secretary make the necessary record of the subject petition and place thereon his Certificate, with a proper notation on his Certificate to explain the delay in making it. Upon receipt of the properly Certified petition, it shall be submitted to the secret ballot at the first stated communication in Aug., 1960, in the same manner as if no previous ballot had been taken thereon.

This Order shall be read to the lodge at the first stated communication after it is received, entered on the minutes of that communica-

tion, and a proper notation made on the margin of the minutes for the stated communication of the lodge at which the ballot was taken (July 4, 1960) referring to this Order and the date it is recorded on the minutes. [REG. 70-01(1A)].

Opinion No. 6

Reference is made to the case on the above subject, former member of our Holland Memorial Lodge No. 668 who demitted therefrom to affiliate with Acacia Lodge No. 94, South Carolina, and I give you an Official Opinion on the case:

On March 11, 1949, Charles Clinton Dixon, a member of our Holland Memorial Lodge No. 668 applied for affiliation to Acacia Lodge No. 94, Columbia, South Carolina.

On May 5, 1949, Brother Dixon was elected to membership in No. 94, South Carolina, subject to the granting of a demit to him by our No. 668.

May 6, 1949, Brother Dixon submittted his completed and signed Request for Demit to our Holland Memorial Lodge No. 668.

May 14, 1949—Holland Memorial Lodge No. 668 granted Brother Dixon a demit, bearing the date of May 14, 1949, which was *not* a date for a stated communication of our No. 668, but which demit should have been dated *May 12, 1949*, which was the date of a stated communication. There is no record in the minutes of our Holland Memorial Lodge No. 668 for the entire year 1949 showing this demission, although the Ledger sheet of our No. 668 for Charles Clinton Dixon shows he "Demitted Acacia Lodge No. 94, Columbia, S. C. May 14, 1949," and the fact was reported to the Grand Secretary's Office on N. C. OFFICIAL FORM 49 for stated communication on November 10, 1949 that Charles Clinton Dixon demitted on May 14, 1949, and the annual return of No. 668 for 1949 also reported him demittted on May 14, 1949.

It appears that the facts in the case, as set forth above, constitute very good evidence that a demit was granted to Brother Dixon by Holland Memorial Lodge No. 663 although the demission was not recorded in the minutes of the lodge at the stated communication on May 12, 1949. The demit itself should have been dated May 12, 1949, the date on which it was ordered granted, and not on May 14, 1949, the date on which it is presumed filled out by the Secretary; therefore, I hereby rule that the date of May 14, 1949 shown on the face of the demit itself, be corrected to read May 12, 1949, and the records in the office of the Grand Secretary and those of Holland Memorial Lodge No. 668 be made to conform to this opinion, and the Grand Secretary issue such directives as may be necessary to carry out this order.

Opinion No. 7

Reference is made to your letter of August 3, 1959 to Grand Master Hand regarding the above brother, which matter has been referred to me, and I am returning the file on this case and giving you my opinion.

On October 3, 1947, Brother Ralph Gordon Templeton, a member of Eureka Lodge No. 283, applied for affiliation with Hibriten Lodge No. 262. This original application which is now in this file bears this record, "Accompanying his petition is $1.00 and request for demit."

It appears from this notation that there was actually a request for a demit attached to Brother Templeton's Application for Affiliation, but we do not know what became of it.

According to the minutes of Hibriten Lodge No. 262, Brother Templeton was elected to membership therein on December 4, 1947; however, this ballot was illegal because the Application for Affiliation had not been certified by the Grand Secretary. The said application was certified by the Grand Secretary on June 18, 1948, and the minutes of No. 262 show that Brother Templeton was subsequently elected to membership on July 1, 1948. His name has been reported on the roll of membership in the annual returns of No. 262 from 1948 through 1959, and he was reported on the roll of the annual returns of Eureka Lodge No. 283 in 1948 and 1949, but was reported demitted in the 1950 Return (no date shown).

It appears that Brother Templeton was duly elected to membership in Hibriten Lodge No. 262 on July 1, 1948; however, his transfer of membership has not been completed because apparently no request for a demit has been made to Eureka Lodge No. 283 and the demit necessary to sever his membership with No. 283 has never been granted by that lodge. Therefore, it is my opinion that Brother Templeton is now, and has been since he was raised on January 21, 1946, a member in good standing of Eureka Lodge No. 283.

To clear this case, I do hereby order that the following action be taken:

1. That Hibriten Lodge No. 262 obtain and send to Eureka Lodge No. 283 a written request for a demit signed by Brother Templeton. There is no limitation on the election of Brother Templeton on July 1, 1948; therefore, a demit from No. 283 is all that is necessary to complete this transaction.
2. That Eureka Lodge No. 283 act on the request in the usual way and record the action in the minutes.
3. That Hibriten Lodge No. 262, Eureka Lodge No. 283 and the office of our Grand Secretary each make and/or correct their records to conform to this Order, and that further instructions be given by the Grand Secretary relative to correcting the necessary records and adjusting any financial matters arising out of the case.
4. This Order shall be read in each lodge affected at the first stated communication after it is received and entered in full on the minutes of that communication.

Opinion No. 8

Reference is made to your letter of November 13, 1959 to Grand Master Hand regarding the above brethren, which matter has been referred to me, and I am returning the file on these cases and giving you my opinion.

In each of these cases Monroe Lodge No. 244 attempted to do two things:

1. Remit the dues of these members, and to
2. Grant demits at the same time, as one act.

See letter dated September 2, 1955, from the Secretary of Monroe Lodge No. 244, original in this file.

No request was made by either member for a demit. (See SEC. 141 of the 1924 CODE)

When the lodge remitted the dues, as it did, there was no right existing thereafter to exclude the members for nonpayment of the dues remitted; they were then clear on the books, and since neither member made a proper request for a demit the action to grant the demits was ILLEGAL and VOID.

Let the record show that both of these members have had continuous membership in the same manner as if no action was taken by this lodge on December 21, 1933, as to R. H. Terrell, and on September 20, 1934, as to Lonzo Jerome Owensby.

You will issue such directives to Monroe Lodge No. 244 as may be necessary, and will adjust all financial matters with the lodge accordingly.

Opinion No. 9

With reference to our discussion regarding the ruling made on May 18, 1960 regarding eligibility to receive the 25-Year Service Award, it is my opinion that we are being unfair in counting periods of non-affiliation under Regulation 88-02 of THE CODE against a member in issuing the 50-Year Veteran's Emblem and Certificate, and not counting these same periods of non-affiliation against a member in issuing the 25-Year Service Award.

I feel that it was the intent of this regulation to count these periods of non-affiliation only in cases where a member was out for more than a year or where he failed to pay a full year's dues at any time during his membership. If he was non-affiliated for a short period or periods and yet paid dues in full for each and every year for a total of 50 years of more, he should be entitled to receive the Veteran's Emblem and Certificate.

If, from the records in the office of the Grand Secretary or the records of the lodge, it can be established that a member has paid dues in full for each year for a total of 50 years or more, this letter will serve as your authorization to issue the Veteran's Emblem and Certificate.

(NOTE: Official Opinion No. 9 was set aside and disapproved by the Grand Lodge and referred to the incoming Grand Master for his attention and recommendations. See Report of Committee on Masonic Jurisprudence on Pages 162 and 163, under Docket No. 49. CAH,PGM, GS).

Opinion No. 10

It has been brought to my attention by the Grand Secretary that Brother George Otis Creed who has applied for affiliation with your lodge from Kershaw Lodge No. 29, South Carolina, was elected to membership in your lodge on September 6, 1960, without the application having been duly certified by the office of the Grand Secretary.

It is our opinion that the ballot having been taken before the application was certified by the Grand Secretary, it is illegal and void under the clear and positive language of Regulations 76-01; 76-01 (1), and 83-15.

Since the Grand Master is authorized to order another ballot, a dispensation is hereby granted to Laurinburg Lodge No. 305, to ballot again on the Application for Affiliation of Brother George Otis Creed at its stated communication of October 4, 1960.

The records of the office of the Grand Secretary and of your lodge shall be made to conform to this opinion and the result of the reballot.

If the applicant is rejected his membership shall be the same as it was before your lodge took any action thereon.

Opinion No. 11

I have again reviewed the file in the matter of Harry Eugene Hooker and it is my opinion that the intent of Regulation 77-02 of THE CODE is that no candidate can be allowed more than 18 months in which to present himself for initiation without the necessity of filing a new petition for the degrees, except he be in the armed forces of the United States in time of war. The opinions of Grand Masters Johnston and Hand, Opinions Nos. 4 and 65, respectively, appear to support this intent.

The facts in this case are: Harry Eugene Hooker was elected to receive the degrees in Stokes Lodge No. 32 on November 4, 1957. Because of military service outside the United States he failed to present himself for initiation until June, 1960. At a stated communication of Stokes Lodge No. 32 on June 6, 1960 the lodge considered his case and voted to grant additional time of six months from that date in which he could present himself for initiation. This was 31 months after his election to receive the degrees. The Entered Apprentice Degree was conferred upon him at an emergent communication on August 8, 1960.

Brother Hooker is not responsible for this irregularity and is not at fault. He has received the degree of Entered Apprentice in due form and the degree cannot be taken from him.

It is therefore Ordered: That the status of this brother is in all respects that of an Entered Apprentice in Stokes Lodge No. 32, without the necessity of healing him. Also, he shall not be in default unless he waits more than six months after the date of this Order before presenting himself for examination in the catechism of the E. A. Degree and the conferring of the F. C. Degree.

This Order must be read at the first stated communication of Stokes Lodge No. 32 following its receipt, entered on the minutes of that communication, and a proper notice made on the margin of the minutes of the stated communication of June 6, 1960, referring to this Order and the date it was recorded in the minutes.

Opinion No. 12

I have reviewed the file in the matter of William Malcolm Harding, who received the Entered Apprentice Degree on December 27, 1960 after having been elected to receive the degrees in Yadkin Lodge No. 162 on December 19, 1960, all of which took place before the petition was recorded and certified in the Grand Secretary's office.

This petition was read at a stated communication on November 7, 1960 and received in the Grand Secretary's office on November 10, 1960. The petition was returned uncertified for the reason that there was a question as to the necessity for a waiver of jurisdiction. In his letter of explanation of January 17, 1961 Brother Grady M. Mackie, Secretary of Yadkin Lodge No. 162, states that he mistook the Grand Secretary's "received" stamp for his certification and allowed a ballot to be taken on this petition. A waiver of jurisdiction

had been received from Salem Lodge No. 289 under date of December 6, 1960.

Since Brother Harding is not responsible for this irregularity and he has received the Entered Apprentice Degree in due form, he is not at fault, nor can the degree be taken from him.

It is therefore Ordered: That this petition be sent at once to the Grand Secretary for recording and for his Certificate, with a proper notation on the Certificate to explain the delay in making it.

Also, that the status of this brother is in all respects that of an Entered Apprentice in Yadkin Lodge No. 162, without the necessity of healing him.

This Order must be read at the first stated communication of Yadkin Lodge No. 162 after its receipt, entered on the minutes of that communication, and a proper notation made on the margin of the minutes of the stated communication of December 19, 1960 at which the ballot was taken, referring to this Order and the date it was recorded in the minutes.

Opinion No. 13

Reference is made to your letters of December 6, 1960, and January 19, 1961, and the file in the matter of Brother Parnell B. Elliott, who was excluded for nonpayment of dues at a stated communication of Stony Point Lodge No. 593 held on November 22, 1960, and note that the By-laws of this lodge call for stated communications on the second and fourth Tuesday in each month. It is further noted that this lodge held no stated communication on November 8, 1960, the date of their first scheduled stated communication in November, and that they considered the meeting on November 22, 1960, as their first stated communication in November.

It is my opinion that the provisions of Regulations 85-33 and 85-34 of THE CODE are mandatory, (85-30), and that a lodge which fails for any reason to hold its first stated communication in November has no authority or jurisdiction to act in any manner whatever on any delinquent member, but it must begin all over again the next following September under Regulation 85-33.

It is therefore Ordered: That the name of Brother Parnell B. Elliott be restored to the roll of membership of Stony Point Lodge No. 593 as of November 22, 1960, as if no action had been taken thereon, and it is further Ordered; that the proper records be made by the said lodge and by the Grand Secretary's office to conform to this Official Opinion and that all financial matters be adjusted accordingly.

This Order shall be read in Stony Point Lodge No. 593 at the first stated communication after it is received, entered on the minutes of that stated communication, and a marginal note shall be made on the minutes of the stated communication of November 22, 1960, referring to this Order and to the date it is recorded in the minutes of the lodge.

Opinion No. 14

I have your letter of February 6th to which is attached a letter dated January 22, 1961 from Brother J. Harvey Payne, Secretary of Ashe Lodge No. 594, and the entire file in the matter of Brothers Riley Green Weaver and Robert Van Weaver, both of whom demitted

from Ashe Lodge No. 594 on January 11, 1949 and made application for affiliation with the same lodge later on in the same year.

It appears from the record that your office failed to certify these applications for the reason that the lodge had failed to report their demits to you, and that some confusion arose when you advised the lodge that as far as your records were concerned these brethren were already members of Ashe Lodge No. 594.

The minutes of this lodge for the stated communication of November 8, 1949 show that applications for affiliation accompanied by demits were received and read. There is no record in the minutes of their election to membership but their names appeared on the roll of membership in this lodge for the year 1949 and for each subsequent year through 1960, except in the case of Robert Van Weaver, who was excluded for nonpayment of dues on November 27, 1951 and restored on January 11, 1955.

Because of the advanced age of Brother Riley Green Weaver and the fact that he has paid dues for each and every year since 1949, and due to the fact that your office is not entirely blameless for the confusion that arose about the applications for affiliation, I am rescinding my Official Opinion of August 8, 1960 and issuing a new Order in which the record should show that these brethren were elected to membership in December 1949 on demits issued by the same lodge on January 11, 1949. The applications for membership which are now in your office and have never been certified should now be certified and a notation placed thereon to explain the delay. The annual returns must again be adjusted to show this new ruling.

In the matter of Reginald Glen Weaver, another brother who was granted a demit on the same date and made application for affiliation at the same time of the others, and who was excluded for nonpayment of dues on November 27, 1951 and has not been restored to date, the record should show that he also re-affiliated in December, 1949. Financial adjustment in the case of Reginald Glen Weaver for the years 1949 and 1950 must also be made with Ashe Lodge No. 594.

This Official Opinion must be read in the lodge at the first stated communication following its receipt, and marginal notations should be made in the minutes of the stated communication of November 8, 1949 and that of December 13, 1949 referring to this Official Opinion and to the date on which it was recorded in the minutes.

A separate letter covering all financial adjustments and corrections to be made to your copies of the annual returns will be sent to you later.

Opinion No. 15

I am in receipt of a letter from Brother Charles B. Newcomb, Chairman of the Grand Lodge Committee on By-Laws of Subordinate Lodges, bearing date of February 21, 1961, in which he enclosed copies of his letters of May 6, 1960 and May 26, 1960 to Brother Dalton R. Blake, Secretary of Troy Lodge No. 718, and of your letter of June 1, 1960 to Brother Michael A. Nicholson, Master of the lodge, all of which called attention to Regulation 52-01 of THE CODE and to the fact that the exact date of the charter of the lodge must appear on the seal.

It is noted that both Brother Newcomb and your office called attention to the fact that if the lodge had any objection to the ruling in Regulation 52-01 they had the right of appeal to the Grand Master, and your letter of June 1, 1960 listed my name and address.

As it appears that no appeal from this ruling has been received from the lodge, I have no alternative but to Order Troy Lodge No. 718 to secure a new seal as quickly as possible, said new seal to bear the date of April 20, 1960, the date on which the charter was granted.

This Order must be read at the first stated communication after its receipt and it must be recorded on the minutes of the lodge.

MASONIC SERVICE ASSOCIATION

The annual meeting of the Masonic Service Association was held in Washington.

It is my opinion that more of our brethren, in all the lodges in North Carolina, should know more about this great organization. This association is continually investigating the needs of Masons everywhere in the world and the best methods of serving them.

This association acts as a clearing house for Masonic documents, including short talk bulletins, books, plays, programs, and Masonic films which are available to all lodges. The association provides full time representatives to make regular visitations to Veterans Hospitals, supplying our brethren with services and things that hospitals do not do.

In my opinion the services rendered far exceed the amount we contribute.

GRAND MASTERS CONFERENCE

The Grand Masters Conference was held in Washington in February 1961. Grand Masters from each Grand Jurisdiction attend this conference each year, along with the Grand Secretaries and Past Grand Masters, who are interested in the programs.

It is the custom of this conference to discuss selected subjects of interest to the craft, though no formal action is taken, since each Grand Jurisdiction is independent in its actions. The conference is most instructive and brings out many points of interest.

Attending this conference with me were Past Grand Master Robert L. Pugh, Past Grand Master W. J. Bundy, Grand Secretary Charles A. Harris, Deputy Grand Master James W. Brewer, Grand Steward A. A. Kafer, District Deputy Grand Master Ed Blair, Senior Grand Warden Charles Ricker, District Deputy Grand Master Robert N. Bass, Jr., Brother Clarence H. Parker and Brother Adam Husman.

Senator and Mrs. Everett Jordan, Congressman and Mrs. Herbert C. Bonner and Congressman and Mrs. David Henderson attended the Grand Masters Banquet with us.

SOUTHEASTERN MASONIC CONFERENCE

The Grand Lodge of North Carolina was represented by Most Worshipful Brother Edwin T. Howard, P.G.M., at the organization of the Southeastern Masonic Conference in Atlanta, Ga., on September 10, 1960. Brother Howard again represented us at the first annual meeting of the Southeastern Masonic Conference held in Pascagoula, Miss., November 10, 1960.

The purpose of the conference is the advancement of Masonry in the southeast. The representatives meet together and discuss common problems so that the exchange of ideas and experiences may be incorporated into the programs of the respective Grand Lodges.

(NOTE: No other report was made on this subject and no action was taken by the Grand Lodge. CAH,PGM,GS).

COMMITTEE ON MISCELLANEOUS MASONIC CEREMONIES

During the year I authorized this Committee to prepare a ceremony for the installation of the Grand Lodge officers. This has been done and is to be used during this Annual Communication for the first time.

The Committee was also requested to edit and publish the various handbooks on which work had been in process for some time. These handbooks: one for the Master; one for the Secretary; one for the District Deputy Grand Master and one for the District Deputy Grand Lecturer have been prepared, edited, and published. The publication is on a temporary basis for the purpose of allowing time and use to reveal errors and inconsistencies. Publication in a permanent form will be forthcoming when the Committee feels that the handbooks are ready for such.

This Committee for several years has had charge of the printing of the various Masonic ceremonies, and recently was charged with the editing and preparation for publication of several handbooks. It now plans to embark upon a program, much larger in scope, through which it intends to make available to the Masons in North Carolina much more information on pertinent Masonic topics. North Carolina has long neglected this important field. Other Grand Jurisdictions are far ahead of us and an informed Brotherhood requires that we continue with diligence our efforts to bring

to the brethren such information of a Masonic nature as would enable them to become more proficient in the great truths our fundamental principles encompass.

To equip this Committee with a title that would give it adequate authority for such an endeavor, it is my recommendation that the name of the Committee hereafter be "Committee on Masonic Ceremonies and Miscellaneous Publications."

(NOTE: This recommendation was *not* adopted, but was carried over until the 1962 Annual Communication. See Report of Committee on Masonic Jurisprudence, Docket No. 49 on Page 163 of these Proceedings. CAH,PGM,GS).

GRAND LECTURER

The reports of the Grand Lecturer indicate that many schools of instruction have been held this year and they have had the same old problem of attendance among the members. However, in most cases the officers are loyal, efficient and anxious for instruction. His report also indicates that with very few exceptions the officers are proficient in their work.

OTHER MASONIC BODIES

Organizations which have membership in the Masonic order must be a constant source of interest and concern to the Grand Lodge. What these organizations do can bring credit or discredit to Masonry. These organizations must never be allowed to forget that they owe their existence to the Grand Lodge, and they are accountable to the Grand Lodge.

It is my belief that these organizations are a great credit to Masonry. We are proud of the great work they are doing and should encourage them in their endeavors, thereby cementing harmony among all Masonic related organizations in the Masonic family.

MASONIC AND EASTERN STAR HOME

This year I attended approximately 20 divisional meetings with Brother George Bennette. I cannot be too liberal with my praise when I write about our Home. We need not be ashamed of any part of this institution. It is a great monument to Masonry as well as to Brother George, who has guided its destiny for over 35 years. He has stepped down and turned the management over to Brother Troy Robbins, who has been our Grand Chaplain this year.

In my opinion Brother Robbins is very capable and maybe some day the brethren may transfer some of the love they have for Brother George to him.

OXFORD ORPHANAGE

This year I attended approximately 20 divisional meetings with Brother Leon Gray. I find that the brethren of this Grand Jurisdiction are very interested in our orphanage.

We cannot be too liberal with our praise of this institution. Brother Gray deserves to be complimented on the able administration of its affairs.

I have been present at the several board meetings we have had this year and each time I arrive on the campus, I feel proud of being a Mason and having the opportunity to take a small part in this great work. At present we have approximately 320 children in the orphanage. About 20 are of Masonic parentage, the rest are from broken homes or are victims of other unfortunate circumstances.

Every Mason should visit Oxford Orphanage and see for himself what is being done to care for and educate these children to become capable citizens when they leave the institution.

ORPHAN'S FRIEND AND MASONIC JOURNAL

This is the publication of the Masons in North Carolina. A subscription to this paper will not only keep you informed as to the Masonic activities, but will also aid the printing department of the Orphanage.

RECOMMENDATIONS

I recommend that we continue our usual appropriations to Oxford Orphanage, Masonic and Eastern Star Home, Charity, Masonic Service Association, Grand Masters' Conference, Grand Secretaries' Conference, Masonic Relief Association, George Washington Masonic Memorial Association and Masonic Service Association for Hospital Visitations.

(Approved. See Docket No. 50 on page 167 of these Proceedings. CAH,PGM,GS).

I recommend that a sum of $200 be contributed to the state conclave of Order of DeMolay, and a like amount to the state assembly of the Order of Rainbow Girls.

(This recommendation was *not* approved. See Docket No. 53 on Page 171 of these Proceedings. CAH,PGM,GC).

PAST GRAND MASTERS

Brethren, we have a great group of Past Grand Masters. Many have been a great help to me during my year in office. They have always seemed ready and willing to assist in any way possible when called upon.

APPRECIATION

CHARLES B. NEWCOMB

This year it has been my great pleasure to have been associated with Brother Charles B. Newcomb. Upon every request he has been ready and willing to assist me. Because of his great store of Masonic knowledge and his inflexible fidelity to the Craft he has proven himself of such sterling quality that he has the complete confidence of the entire Craft in North Carolina. I am deeply indebted to Brother Newcomb for his invaluable assistance to me throughout the year.

EDWIN T. HOWARD

Brother Edwin T. Howard has more greatly endeared himself to me during this year. To him I am indebted beyond measure for the confidence he reposed in me by designating me for the great opportunity for service and for bestowing upon me my greatest Masonic honor. I sincerely hope I have been a credit to him. Throughout this year he has remained close by my side and encouraged me in every enterprise for the good of the Craft.

WILLIAM J. BUNDY

Brother William J. Bundy has always been ready and willing to assist me. His friendship has throughout the years been most abiding, and this year has magnified itself through his ability to enliven and encourage me at all times. One serving in the office of Grand Master is most fortunate indeed to have a friend of such stalwart qualities and affable geniality by his side in all times of need.

CHARLES A. HARRIS

Throughout the year it has been my privilege to have the constant companionship and faithful services of Brother Charles A. Harris. We have traveled the length and breadth of our state to attend the various meetings and to administer the affairs of our offices. Throughout all these experiences I found Brother Harris to be agreeable and proficient. He has performed the services of our Grand Secretary's office with efficiency and dedication, while at the

same time has maintained a most commendable humility regarding the Craft. There are no words to convey my deep appreciation to this splendid Mason.

A. D. LEON GRAY

To Brother Leon I am deeply indebted and grateful. He has been at my side during most all of my visitation to the district meetings. He has not only been ready and willing to serve but has been my "Grand Speaker" on approximately 90 percent of the occasions.

Thank you, Brother Leon. If I can ever do anything for you send up a "smoke signal."

RECOMMENDATIONS

I recommend that a minimum of three Official Standard of the Work be supplied to the Secretary of each subordinate lodge or that the Official Standard of the Work be made available for purchase to the Master Masons in good standing in North Carolina.

(Approved. See report of Committee on Masonic Jurisprudence. Dockets Nos. 12 and 49 on Pages 79 and 164 of these Proceedings for action taken thereon. CAH,PGM,GS).

I recommend that the District Deputy Grand Lecturers be supplied with aprons and jewels befitting their service, and that they be reimbursed for attending Grand Lodge an amount equal to that received by the District Deputy Grand Masters.

(Adopted. SEE Dockets Nos. 10, 11, 46, and 50 on Pages 78; 151-152; 154; 169 of these Proceedings for action taken thereon. CAH, PGM,GS).

I recommend that the Code be amended so that the jurisdiction lines be frozen as the jurisdiction lines of 1954, regardless of the expansion of the various city limits to protect our small lodges from encroachment.

(NOTE: This recommendation was not adopted, but was carried over and referred to the incoming Grand Master. SEE Docket No. 49 on Page 163 of these Proceedings. CAH,PGM,GS).

I recommend that the Grand Lodge establish and appropriate funds for a college scholarship, whereby each year one outstanding graduate of Oxford Orphanage will be chosen upon the basis of ability and determination by the Board of Directors of Oxford Orphanage.

(NOTE: This recommendation was *not* adopted, but was postponed for further study by the Finance Committee. SEE Docket No. 51 on Pages 169-170 of these Proceedings. CAH,PGM,GS).

I recommend that the Code be amended so that Regulation 88-04, subdivision 1 shall read:

> "The lodge will make its own arrangements for the presentation of the awards provided in Regulation 88-02 and 88-03."

Due to the great increase in the number of these awards presented annually, it is not possible for the Grand Master to present them or to provide for a personal representative to present them except in a few cases.

(This recommendation was adopted. SEE Dockets Nos. 13 and 49 on Pages 79-80, and 164 of these Proceedings for action taken thereon. CAH,PGM,GS).

CONCLUSION

And so we come to the end of another year. We point with pride to our accomplishments and hope we have builded well. We glory in the excellent condition of our two Masonic institutions, we compliment ourselves on our ritualistic progress, and we rejoice in our growth of members. Our monetary possessions have increased while at the same time we feel that we have benefited our fellow man, the communities and state in which we live.

But all of this is past, and the past should only point the way for us to be of greater service to our country and our brothers. If we accept the past with this thought, our labors have not been in vain.

Brethren, it has been a great honor to serve you and I hope I have done so to your satisfaction.

Respectfully submitted,

Harvey C. Brush

REPORT OF THE BOARD OF GENERAL PURPOSES ON THE DISTRIBUTION OF THE REPORT OF THE GRAND MASTER

(Docket No. 35)

The following report of the Board of General Purposes on the distribution of the report of the Grand Master was read, entered on the record and unanimously adopted:

To The Most Worshipful Grand Lodge of North Carolina:

The Board of General Purposes, in compliance with the provisions of THE CODE, has reviewed and considered with care the report of the Most Worshipful Grand Master, Harvey Ward Smith, in all of its detail, and submit this report:

We congratulate the Grand Master upon his performance of the manifold duties of the position of Grand Master, as reflected in the clear, concise and well deliberated report of his activities. The benefit of such exemplified, thorough and efficient leadership inures to the everlasting credit of Masonry and, as the beneficiary of it, we congratulate the Grand Lodge and the members of the Craft in North Carolina.

The Board recommends:

1. That the parts of the Grand Master's report which relate to decisions, dispensations, Amendments to THE CODE, and other legal matters be referred to the Committee on Masonic Jurisprudence;

2. That the portions relative to matters of finance be referred to the Committee on Finance;

3. That the portions concerning the Oxford Orphanage and the Masonic and Eastern Star Home, respectively, be referred to the respective Committees on those institutions; and

4. That other matters be assigned without further specific reference to the Committee or Commission which should properly and promptly consider them.

Respectfully submitted,

REPORT OF THE COMMITTEE ON MASONIC AND EASTERN STAR HOME OF NORTH CAROLINA, INC.

(Docket No. 36)

The following report of the Committee on the Masonic and Eastern Star Home of North Carolina, Incorporated, was read by W.·.Brother Louis W. Shrier, P.M., received,

entered on the record, and referred to the Committee on Finance, Board of General Purposes and Board of Directors of the Masonic and Eastern Star Home of North Carolina, Incorporated, and the resolution in paragraph 5A was adopted by the Grand Lodge.

To The Most Worshipful Grand Lodge of North Carolina:

1. Your Committee on the Masonic and Eastern Star Home of North Carolina, Inc., met in Greensboro on Friday, April 7, 1961, in conformity with Regulation 38-16 of THE CODE.

2. We were met by Brother Troy G. Robbins, Superintendent of the Home, and conducted on a tour of inspection throughout the entire plant.

3. The general conditions of the buildings and grounds are in good order. We found that the buildings have been improved by painting and a new oil burner has been installed which greatly improves the heating system.

4. Reports of the officers and directors were examined and the business affairs of the Home were discussed at length. During this discussion, the following items were noted:

5. Because of a conflict between THE CODE of the Grand Lodge of North Carolina at Regulation 82-12(2) and the by-laws of the Masonic and Eastern Star Home at section 1 (B), we urgently recommend that the by-laws of the Home be amended at once by the Board of Directors to agree with THE CODE and such amendment be so indicated on the Application Form for admission to the Home, and to that end we present the following resolution and recommend its adoption:

5A. BE IT RESOLVED, That the Board of Directors of the Masonic and Eastern Star Home of North Carolina, Incorporated, be and they are hereby directed to promptly take such action as may be necessary to bring into agreement the by-laws of said Home with Regulation 82-12 of THE CODE.

6. At the present time, the Board of Directors has set a maximum of 75 guests that can be accommodated at the Home because of the limited facilities. There is an average of ten (10) applicants that have been approved for admission to the Home on the waiting list at all times. The waiting period is from ten (10) to twelve (12) months. Because of this large group waiting to be admitted, the longer life expectancy of future guests and the increase in population, we believe that the maximum number of guests to be accommodated at the Home should be gradually raised to at least one hundred (100) with further expansion anticipated. In view of the present urgent need for improved facilities and accommodations and the ever expanding demands of new applicants, we believe that some positive action should be initiated as soon as possible to make these improvements.

7. We noticed a lack of adequate parking facilities, and we recommend that this condition be improved.

8. During this last year, Brother Troy G. Robbins has achieved a comprehensive grasp of the problems involved in operating the Home and he shows a remarkable amount of initiative and interest in his work as Superintendent. We believe that a wise choice has been made in his selection.

9. The Masonic and Eastern Star Home of North Carolina is not just an institution, but a home; a home that we can be proud of; a home that provides for the physical, mental and spiritual welfare of our guests. It is only by a personal visit that you can understand the home-like atmosphere that prevails which gives our guests a sense of security and happiness when they need it most. We believe that we owe our liberal support to this Home that is comprised entirely of Masons and those with Masonic affiliations, and urge that each of you continue your contributions to this most worthy cause.

PRELIMINARY REPORT OF THE COMMITTEE ON OXFORD ORPHANAGE, INC.

(Docket No. 37)

The following preliminary report of the Committee on Oxford Orphanage was read and entered on the record:

To The Most Worshipful Grand Lodge of North Carolina:

Your Committee visited Oxford Orphanage on March 20, 1961. We were met by our Superintendent and Brother, A. DeLeon Gray, and by Brothers E. T. Regan and M. E. Parham, who gave us a very cordial welcome and offered their full cooperation in our tour of inspection which was gladly accepted and appreciated by the Committee.

Brother A. DeLeon Gray accompanied us throughout our tour and imparted to us much enlightenment on many intricate problems encountered in the management of the institution, especially financially, at which he is a wizard.

We were pleased to find that the dairy herd was showing a nice profit after the feed account was paid and the local need of milk is supplied. A new cow barn is near completion, replacing the one lost by fire earlier in the spring.

One cannot but feel proud of our achievements in the line of new buildings procured during the recent years—and especially our new dining hall and kitchen.

We would recommend a new building of adequate floor space to accommodate all the trade and arts Departments, such as Electric Shop, Print Shop, and others of that type.

We still believe that all forms of Vocational training are of greater value to the development of our youth today and while Physical Education has its place, it is our opinion that at times in many ways it is overdone.

We enjoyed a very delicious lunch in our new dining room, with the children who showed by their conduct that they were enjoying a happy home life which would be denied them if it were not for the generosity of the Masons of North Carolina.

In conclusion, we believe the appearance of our grounds could be greatly improved.

REPORT OF THE GRAND LECTURER

(Docket No. 38)

The Grand Lecturer presented the following report, which was read, entered on the records, and referred to the Board of Custodians:

To The Most Worshipful Grand Lodge of North Carolina:

It is with a feeling of satisfaction and also of regret that I come to the end of the three-year period in which I have been permitted to serve as Grand Lecturer. I am sincerely appreciative of the honor and privilege accorded me and extend heart-felt thanks to the officers and brethren who have made it possible. I am particularly indebted to Brothers Charles B. Newcomb, Charles A. Harris, W. Edward Burrier, and many others who have given freely of their time, wisdom and talents to make my tasks easier and more effective.

The year 1960 was one in which considerable progress was made in the field of ritualistic proficiency, and I take this means to thank and to congratulate the fine group of District Deputy Grand Lecturers who have worked long and diligently towards this end.

It is my pleasure to report that as of December 31, 1960, we find no lodge in this Grand Jurisdiction delinquent as to the lecture service, this being the fourth consecutive year in which this goal has been attained.

Of the fifty-eight Districts in the state, fifty-one have filed a report on the activities and conditions of the various lodges as required by THE CODE, seven having failed to do so.

It is reported that 249 Lodges are using the Lodge System of Masonic Education. Forty-two of the Districts report that two or more Schools of Instruction were held during the year, five had one school only, and eleven Districts do not report that a school was held.

The following Brethren are recommended for the position of District Deputy Grand Lecturer for the ensuing year:

REPORT OF THE GRAND HISTORIAN

(Docket No. 41)

M.·.W.·.Brother Charles H. Pugh, P.G.M., Grand Historian, presented the following report, which was entered on the record, adopted, and referred to the incoming Grand Master:

To The Most Worshipful Grand Lodge of North Carolina:

I herewith submit to you my fourth annual report of the activities and accomplishments of the Grand Historian for the year 1960.

As we have done heretofore a letter was sent to the Master of each lodge in North Carolina requesting him to appoint a Historian or a Committee on history who would make a record of the important events and activities of his lodge from the time of its institution up to the present time. This applied to those who had not previously replied to the request of the Grand Historian in the two years preceding.

The result has been agreeably surprising up to the present time. We have received the names of a Historian or Committee on History of over two-thirds of the active lodges in North Carolina. Every one of the fifty-eight Districts in the State, with the exception of five, have appointed a Historian or Committee on History for from one to the entire number of Lodges in each District. The interest shown in these replies has been very encouraging indeed. Some of the Lodges have completed very elaborate reports of the history of their Lodges from its beginning up to the present time. Some have submitted only a brief resume of its work and activities, while still others have signified their intentions and plans to co-operate to the best of their ability. There is no doubt that the subordinate Lodges are becoming more and more history conscious, and are planning to act accordingly.

ANNIVERSARIES AND LADIES' NIGHTS DURING PAST YEAR

There have been more celebrations of Lodge Anniversaries and of Ladies' Night Meetings than have ever been reported before, and of course all of them have *not* been reported to the Grand Historian. There is no doubt that celebrations of this type are of untold benefit to the Craft and create more enthusiasm and interest than can be estimated, and at the same time produce continued interest in its activities.

This year there are two Lodges who have the opportunity to celebrate the One Hundred Fiftieth Anniversary of their existence; two who have their seventy-fifth Anniversary; six are fifty years old, being chartered in 1911; one Lodge, Acacia No. 674, High Point,

N. C., celebrated its twentieth Anniversary a few days ago. We have been informed that this was an outstanding event in High Point Masonry. Two lodges will be fifteen years old this year, and three lodges can celebrate their tenth Anniversary, four lodges (Nos. 703, 704, 705 and 706) are five years old this year. Some of these are already making preparations for elaborate celebrations, while others are planning smaller recognition of this milestone in the history of their Lodge. Others may have already recognized the importance of these events in the activities of their respective Lodges and have not notified the Grand Historian of their doings, or of their intentions.

No Lodges had their beginning in 1786 (175 years ago), nor were any chartered from 1860 to 1864, this being the years of the War between the States.

It is the intention of the Grand Historian to notify each Lodge that is eligible for one of these anniversaries, calling their attention to the fact that they can have this special event in their Lodge's History at any time during the year that best suits their individual circumstance. In fact, the letters have already been dictated and will be sent to the Master of these Lodges within a few days.

175TH ANNIVERSARY OF THE GRAND LODGE OF NORTH CAROLINA

Next year (1962), will be the 175th Annual Communication of the Grand Lodge of North Carolina. This has been called to your attention on two previous occasions. We have the assurance of the incoming Grand Master that this important milestone in the glorious history of this Grand Jurisdiction will receive proper attention. Therefore, we recommend that the incoming Grand Master appoint a Committee to investigate the advisability of having a special recognition of this important event, and if found advisable to proceed with full power to prepare a fitting program, subject to the approval of the Grand Master.

As we have suggested in previous reports, it is the strong desire of several groups of Masons in North Carolina that a Committee or Commission with the permission of the Grand Master, would make a careful survey of the entire field, taking into consideration the Grand Lodge Library, the Grand Historian, and a complete history as far as possible, including a History of Masonry in general, a Lodge of Research *or* an organization representing Research duties and expected results, and even considering an Historical Publication, including a Department of History and Education, that this would be of lasting benefit to the entire Craft in North Carolina. This was indirectly referred to in the report of the "Committee on Miscellaneous Masonic Ceremonies." I quote from that report:

> "In view of the Committee's recommendation for additional publications during the coming year, it is believed that the title of the Committee should be changed to conform to its anticipated functions and it is therefore recommended that the title of the Committee should be 'Committee on Masonic Ceremonies and Miscellaneous Publications.'"

MURALS AND AN ENLARGED BROCHURE OF THE GRAND LODGE EXECUTIVE OFFICE BUILDING

At a previous meeting of the Board of General Purposes, the Grand Historian and the Grand Secretary were instructed to prepare

a new brochure, including a full description of the principal parts of the building, together with a short authentic historical sketch of all of the episodes of the history of the Grand Lodge depicted by these Murals, and a more elaborate presentation of the important events which are a part of these beautiful paintings.

It was our strong desire to have these available at this Annual Communication, but in finding authentic references to these events and the increased amount of work in the Grand Secretary's Office, together with our desire to obtain the best material available at a reasonable cost, we have been delayed in the completion of this work.

It is our plan to have these new and enlarged descriptions of this beautiful building, and especially of these unexcelled Murals, available in the near future.

As we have previously stated, we feel that we are laying the foundation upon which to build a history of a jurisdiction that is proud of its historic past, is awake to the exacting responsibilities and opportunities of the present, and revels in the glory of its moral, spiritual and Masonic future.

Respectfully submitted,

CHARLES H. PUGH, P.G.M., *Grand Historian*

REPORT OF THE BOARD OF DIRECTORS OF OXFORD ORPHANAGE, Incorporated

(Docket No. 42)

The Board of Directors of Oxford Orphanage presented the following report, which was received, entered on the record, and referred to the Committee on Finance:

To The Grand Lodge of Ancient, Free and Accepted Masons of North Carolina:

The Board of Directors of Oxford Orphanage herewith submits its report to the Grand Lodge of North Carolina, which includes a detailed report of the Superintendent and the Departments of the Orphanage.

The Board of Directors held its regular meetings throughout the year and administered all the affairs of the Orphanage. The Executive Committee and the Local Advisory Board in Oxford held their meetings and made full report to the Board of Directors.

We greatly appreciate the support of the State of North Carolina and the approval and increased support of the Duke Endowment.

We are deeply grateful for the increased interest and magnificent response made by the officers and Oxford Orphanage Committees in the local Masonic Lodges because of their response to our call of need for increased support to meet our serious building need. Because of the increased contributions of the Masons and lodges, we were able to complete the new Dining Room-Kitchen. The new food center was occupied during the summer of 1960. With erection of this new facility our Orphanage has adequate buildings for its needs. All our buildings are adequately covered by insurance.

Again we urge each Mason to visit our Orphanage, see for himself the life of our children and evaluate the needs of our institution, thereby finding a more abundant share in the glorious work we are accomplishing.

Because of the generosity of Masons and friends, Oxford Orphanage was able to complete another year within its budget, and at the same time make a substantial payment on its building debt.

During the year 1960 our Orphanage was filled to capacity. We closed the year with an enrollment of 313 children, serving children from 60 counties, of which 19 are children of Masonic heritage.

We recommend that the Grand Lodge appropriate the same amount for the support of the Orphanage for the year 1961. Again we urge each lodge to arrange a visitation pilgrimage to Oxford Orphanage and permit each Mason the joy of sharing the life and activity of our children.

Respectfully submitted,

Board of Directors of the Oxford Orphanage, Inc.

RESIGNATION OF R.·.W.·.BROTHER J. EDWARD ROOKER, JR.
Junior Grand Warden-Elect

(Docket No. 43)

M.·.W.·.Brother Harvey W. Smith, Grand Master of Masons in North Carolina, announced that R.·.W.·.Brother J. Edward Rooker, Jr., Junior Grand Warden-elect, had advised that on account of illness, he had come to the conclusion that it would be a physical impossibility for him to give to the Grand Lodge of North Carolina the time and attention required of a Grand Master, should he be elected in due time to that high office, and requested that he *not* be considered for any further position in the line of Grand Lodge Officers.

Brother Rooker's resignation was accepted.

(NOTE: Brother Rooker was not installed as Junior Grand Warden on Wednesday evening, April 20, 1960, due to his being absent on account of illness. CAH,PGM,GS).

REPORT OF THE BOARD OF DIRECTORS OF THE MASONIC AND EASTERN STAR HOME OF NORTH CAROLINA, INCORPORATED

(Docket No. 44)

The Board of Directors of the Masonic and Eastern Star Home of North Carolina, Incorporated, presented the following report which was read by M.·.W.·.Brother Robert L. Pugh, P.G.M., received, entered on the record and referred to the Committee on Finance and to the Committee on Masonic and Eastern Star Home:

To The Most Worshipful Grand Lodge of North Carolina:

"WHAT TIME IS IT"

A father said to his little boy; "Son, what time is it?" The child looked at the clock on the mantle and replied; "Daddy, the big hand is on twelve and the little hand is on nine." Laying aside his evening paper the baby-sitting father exclaimed; "Gee! I didn't know it was so late—We'd better be going." For some of us it is later than we think and we'd better be going . . . that is, if we are to do the job before us.

For forty-seven years, your Home has offered security against the misfortune of old age and has spread its protective mantle over four hundred and eighty-nine people. Our 1950 National Census showed that there were twelve million U. S. citizens 65 years of age or older. With our increased life expectancy this number will be more than twenty-one million by 1975. This can only point to a greater usefulness as Masons and Stars in serving our fellowman during the years ahead.

The Masons and Eastern Stars rallied to the needs and gave us enthusiastic support to make 1960 our best year. By way of comparison, our total income for 1960 was $147,699.09, an increase over 1959 of $9,606.04. The Thanksgiving offerings through the Blue Lodges resulted in 28% of our income while through the Grand Chapter the Eastern Stars contributed 22%. It is noteworthy that our Regular Endowment fund netted us $8,127.82 in earned income. Additional data pertaining to our finances is shown below:

OPERATING INCOME:	
Grand Lodge & Subordinate Lodges	$ 70,765.00
Grand Chapter of N. C. Order Eastern Star	33,083.55
Guests in the Home	40,932.46
All Other Income	2,918.08
TOTAL	$147,699.09
DISBURSEMENTS:	
Administrative & General Expense	$ 20,680.03
Direct Care of Guests	86,916.91
Plant Operation	14,624.33
Home Aid Payments to Guests	4,340.00
Transferred to Masonic Reserve Fund	21,137.82
TOTAL	$147,699.09

The average daily enrollment of Guests in the Home was 74.7 and on Home Aid was 16.7 for a total daily average Guest enrollment of 91.4 We began and closed the year with seventy-five Guests. We lost 13 by death and 1 voluntary withdrawal permitted us to admit 14 new Guests. Our annual per capita cost for the year amounted to $1,636.16 or $4.48 per day. During the year forty-nine Guests spent all or a part of their time in the Infirmary accounting for 8,105 days of care to a daily average of 22.1 Infirmary patients.

The Carson York Rite Fund, furnished by the Grand York Rite Bodies, and The Sunshine Fund, furnished by the Eastern Stars and friends, afford the Guests with daily papers, magazines, ice cream, fruits, and bus fare thus adding that little touch to make life a little brighter.

With deep gratitude we wish to thank the Masons, Eastern Stars and our many other friends for their care and concern expressed by their continued generous support of the Home. Be assured that your visit to the Home will be a most welcomed one.

Fraternally yours,

WILLIAM M. YORK, *President*

LABOR DISPENSED WITH IN GRAND LODGE

The Grand Master announced that Charlie Winberry, Jr., Master Councilor, North Carolina Conclave, Order of DeMolay, was without and would be admitted for the purpose of making an address. LABOR WAS DISPENSED with and Charlie Winberry, Jr., was admitted, recognized and made the following address:

ADDRESS OF MASTER COUNCILOR ORDER OF DeMOLAY

Most Worshipful Grand Master, Most Worshipful Brethren, Right Worshipful Brethren, Worshipful Brethren and Brethren of the Grand Lodge of North Carolina:

"It is a great honor to be with you in this, the land of the beginning, where many years ago the Capitol of North Carolina stood and where the history of your lodge has deep roots. On this your 174th meeting, I would like to discuss with you briefly an organization 144 years younger in statewide scope—the Order of DeMolay. It is particularly fitting that the Grand Lodge should call attention to our Order in that for the first time in your history your present Grand Master is a DeMolay, exalted to the highest position within your gift.

"Since its founding on March 18, 1919 in Kansas City, Missouri, the Order of DeMolay has grown into a vast army of over four million boys in the prime of their youth. For that night, 42 years ago, Frank S. Land met with nine young men and in a desire to give to young men the companionship, leadership, inspiration, competition and help which they could not receive in home, school, or church—organized the Order of DeMolay. The movement spread quickly and in 1921 chapters began to appear in North Carolina. Spreading like the progressive group that it is, the seas proved no boundary—the language no barrier. Today chapters range from Mexico to Canada, from Morocco to Japan, and even to the continent down under—Australia.

"International headquarters remained in Kansas City as the hard times of the depression and the loss of members in World War II was offset by the dedication of Master Masons throughout the world, who told the story of a new type of youth group with a ritual that is ageless. Our Order is governed by an International Supreme Council composed of 250 Master Masons throughout the world who make regulations for the protection, advancement, and benefit of our Order. The Council assigns responsibility for the chapter to the sponsoring body which in turn places chapter management in the hands of a chapter advisor and the entire chapter membership.

"Closer to home, DeMolay in North Carolina has prospered. At present there are 32 active chapters from Asheville to Jacksonville. Here are 2000 DeMolays dedicated to service in church, in home and in country whose activities range from ritualistic work to social events, athletic and skill competitions, participation in community affairs, charitable acts, career guidance and educational counseling, district conventions and state conclaves just to name a few of the broader fields. Dedicated to the field of public service, the members of the chapters of North Carolina, who have formed their own Association, will devote more than 150,000 man hours this year in a drive to make North Carolina Highways—Safer Highways. In January more than 300 DeMolays and a class of 80 initiates filled the Masonic Temple in Raleigh to honor your Grand Master in a class named in his honor. In August 500 DeMolays will gather in Charlotte to celebrate our 38th annual conclave. From a mere beginning in a few cities our Order has grown—yet there are many areas in North Carolina still open to DeMolay.

"The purposes of DeMolay and its goals are clear to the hearts of your brothers who were our brothers or who have aided us in this work. For the development of young men into the right path is a task that has been present for years. This proper development is the desire of people throughout the land and the Order of DeMolay stands ready to answer their call. We are a group of young men banded together to live lives that will be a credit to our parents and friends. Based on the firm foundations of brotherhood in every walk of life and a devotion to all that is good, the Order of DeMolay has many beautiful teachings in its ritualistic work. No candidate is *ever* subjected to horseplay, embarrassment or ridicule.

"The first degree is one of great solemnity and dignity. It is a service of consecration in which we dedicate ourselves to the unfaltering love of God, of Home, and of Country. Entrancing in beauty and in the devotion of its members to their work, many decisions have been made at that altar which have made our world a better place in which to live. The precepts of comradeship, reverence, love of parents, patriotism, courtesy, cleanness in thought, word, and deed, and fidelity are stressed as integral parts of our plan for mutual self-improvement.

"In the second degree, the story of Jacques DeMolay, who was the last Grand Master of the Knights Templar in France and who gave up his life rather than be false to a trust reposed in him, is portrayed. Here was a man whose devotion to his brothers, whose tolerance and fidelity even unto death teaches even today compelling lessons. The trial endured by that great martyr is a glorious example

heralded by a degree which is wonderful in purpose and inspiring in presentation—a beautiful part of our ritual, an ageless plan for self improvement.

"DeMolay teaches love of country, for as custodians of that sacred flag soon to be committed into our hands for safe keeping and defense, we have been prepared to give our all. DeMolay recognizes no particular creed but teaches only a profound faith in the one living and true God. We have many beautiful lessons but none more important than love and respect for womanhood but more especially motherhood. For were I to draw you a picture of love divine it would not be that of a stately angel with a form that is full of grace but of a tired and toil worn mother with a grave and tender face. DeMolay *asks* no more of its members than that they endeavor to be worthy of that goal.

"These lessons learned all through our degrees and our work, through our prayers and through our decisions, are all a part of the environment in which we grow-up.

"Certainly the challenges of youth and decisions for the future are based to the greatest extent on the company that one keeps. As a DeMolay, a boy is surrounded by young men like himself. He is a man in the strictest sense—for their devotion to God, to home, and to country. He is surrounded by boys, who like himself, find no embarrassment in prayers, who kneel at every meeting to offer a prayer for home and country.

"DeMolay is therefore an environment in itself and for those hours spent away from home and outside of the church there is no equal to it. DeMolay gives strength to youth as they make decisions today which will affect their lives forever.

"In our brothers we find companions who like ourselves daily try to be better sons than they have ever been before. Friendships become deep—but more important is the fact that in these friendships and in the environment of a DeMolay Chapter a young man meets with his equals who have taken his vows and who have his ideas. It is a lasting process and one that should never end, for in the familiar paraphrased words of Kipling, 'There is neither East nor West, nor Border, nor Breed, nor Birth, When strong boys meet face to face, tho' they come from the ends of the earth.'

"This is strength in brotherhood, in character, and in development. This is DeMolay—the third branch of that youthful triangle of church and home. For across the chapter room and knelt at that sacred altar, brothers come together in a mutual desire to live lives that will repay in some manner the love and care their parents have devoted to them.

"Is there a goal more worthy than the development of youth as the men of tomorrow?

"I think not, for those boys throughout the world who are DeMolays and those thousands here in our own state who desire this brotherhood of mutual self-improvement need *your* help.

"Yes, your help, because you are Masons and as such you sponsor our Order. You sponsor DeMolay in an official sense as a Masonic body and in a more personal sense as an advisor to the boys. Your advice, your counsel, and your devotion to our Order have been one of great significance. For we most certainly are not a Junior

Order. Each initiate understands that it does not guarantee him membership in your lodge, and we emphasize your role only as a sponsoring and advisory group.

"Then you may ask, 'What is my connection with DeMolay?' Your connection is the only way we can survive. For chapters may be sponsored *only* by Masonic bodies and advised *only* by members of those bodies.

"And so today there are more than 2000 DeMolays in North Carolina who owe to you so much. But more important than these are the thousands in every sector of this state who need DeMolay and its teachings. These are calling for your help and your support. They seek the road to right, they seek your guidance in the years ahead. These are young men—the future of your country and, in fact, your community rests in their hands.

"You can do no greater service to yourself or to your God than to take a young man and permit him the honor of taking our sacred vows. You can do no greater service to yourself than to attend a DeMolay meeting and then offer to the youth of your community the opportunity to share in our work.

"Yours is no easy job for it has been said and rightly so that the biggest job in the world is to raise a boy to be a good son, a good man, and a good citizen. This job is not easy but it is important, for on the young people today will rest the accomplishments of those projects which you have undertaken, the judgment on your actions, and most important of all the completion of your desires that our world become a better place in which to live. You, as advisors, hold the key to DeMolay and thus to a great extent the proper development of the moral fiber of the youth of North Carolina.

"I urge you to investigate DeMolay and give the young men around you a chance to be a member of our order and to become exposed to its work and to its teachings. Then I am sure that you can look with pride to the years ahead seeing the results of your labors result in better men. Then you too will be addressed as 'Dad' by boys who love and respect you because of your deep and abiding interest in them.

"Yes, to you 'Dad' we are indebted and we ask no more than that you give the boys in your community the opportunity to kneel at that sacred altar. Dad, we need your help. We need your time and your advice and we can offer only one reward, that of young men soon to be the leaders of this land who were trained in youth to be good men. There may be no greater reward than a smile of gratitude deep in the soul and a thankful clasp, and that is what we offer.

"This is our only reward so that when that final hour should come and you should stand in that great chapter room above that you might rightly say

"Standing to be judged before the Great White Throne
Where I could hear the righteous sing and hear the sinners moan,
I'd want no better advocate to make my final plea
Than just some boys who'd say
Gee, he did a lot for me."

Upon completion of the address, Charles Winberry, Jr., was given a rising ovation, after which he was escorted from the Lodge Room and LABOR WAS RESUMED.

REPORT OF THE COMMITTEE ON NECROLOGY

(Docket No. 45)

The following report of the Committee on Necrology was delivered by W.·.Brother Armon E. Baggett, P.M., and entered on the record.

To The Most Worshipful Grand Lodge of North Carolina:

One by one we miss their voices
That we loved so well to hear;
One by one their kindly faces
In the darkness disappear.
No one hears the door that opens;
Thus they pass beyond recall.
Soft as loosened leaves of roses,
One by one our loved ones fall.

The comfort of having a friend may be taken away, but you can never take away the memory of having had one. He that has lost a friend has more cause for joy that he once had him, than cause for grief that he has lost him. We pause awhile for quiet thought of those whom once we knew, but who have forever gone out from amongst us.

We honor ourselves when we set aside a definite portion of a session busy with plans for the betterment of living to honor the lives and examples of those, many of whom, had looked forward with eager anticipation to enjoying the fellowship of this occasion, but whose earthly eyes have been closed in what we call eternal sleep. In reality their eyes have been opened in that Divine second sight which shall never more be dimmed but shall enjoy for all time the heavenly splendor.

They are not dead! They have but passed
Beyond the mists that blind us here,
Into the new and larger life
Of that Celestial sphere.
They have but dropped their robes of clay,
To put their shining raiment on;
They have not wandered far away—
They are not lost or gone.

Why should we mourn at the thought of departing friends or shake at the thought of death? Our thoughts are but the recollections of our yesterdays, and our dreams of our tomorrows. Why not rejoice with the knowledge of the fact that they go but a little while in advance of ourselves, and if we grieve it should be only that we go not with them now, but must needs linger awhile, rejoicing that we will meet again. This is the logic of our faith in Him who is the captain of our salvation.

No friend we love can ever die;
The outward form but disappears,
I know that all my friends are nigh
Whenever I am moved to tears.
And when my strength and hopes are gone
The friends, no more, that once I knew,
Return to cheer and urge me on
Just as they always used to do.

It is a blessed thought when we think of death as but the transition into a more abundant life in which the many mysteries of this life will be unfolded and explained. We have been wont to think of death as an enemy; but when we regard death as a means and not the end, it should not be thought of as an enemy, but rather as a friend. One of the glorious teachings of Masonry is that death does not end at all. The inherent desire for immortality is granted by Him who has brought life and immortality to light through the gospel.

May we who still worship in the beautiful temple of Masonry be brought to live more useful and happier lives, so that should we be called to go down to the grave we shall be able to say, "I have finished my day's work, but not my life," for whether we are here, or there, another day's work will begin with the morning; because the tomb is not a dead end street, but a thoroughfare which closes on the twilight but opens with the dawn.

In the firmament of our faith, as upon the altars of our lodges, may that Great Light, the Holy Bible, be ever open and shining, and may its precepts be the guide of our faith and the rule of our conduct. May we circumscribe, in deed and truth, our unhallowed passions, ever walk by the square of virtue and practice in the world those truths symbolized by the Masonic level. Then with faith in God, it will be ours to gain admission into that Celestial Lodge above, where our wages will be everlasting peace and refreshment of the soul.

Why should our tears in sorrow flow
When God recalls his own
And bids them leave a world of woe
For an immortal crown?
Their toils are past, their work is done,
And they are fully blessed.
They fought the fight, the victory won,
And entered into rest.

(For his report, see Pages 118-120 at Docket No. 38 in these Proceedings).

MISCELLANEOUS

I. The following subjects were proposed by the Grand Master and considered by the Board:

1. That the Grand Lodge pay the actual expense of a District Deputy Grand Lecturer who attends a general meeting of District Deputy Grand Lecturers when called and authorized by the Grand Master, and also when he attends the Annual Communication of the Grand Lodge. Transportation not to exceed eight cents per mile travelled. This proposal was approved by the Board.

2. That the Board of Custodians look into the matter of the Grand Lodge providing aprons and jewels for the District Deputy Grand Lecturer.

   This was referred to the Secretary of the Board to ascertain the cost of this project and report later to the Board.

(See Dockets Nos. 11 and 50 on Pages 78 and 169 in these Proceedings for the action taken by the Grand Lodge on this subject).

3. The Grand Master proposed that the Board consider a plan whereby the Master and the Secretary of a lodge may issue a Certificate of Proficiency in the Catechism of the Third Degree only, to a member of the lodge who passes a satisfactory examination in that Catechism in open Lodge.
Action on this subject was deferred for investigation as to its effect upon the present system of certifying ritualistic proficiency for Classes "A" and "B".

(No action was taken by the Grand Lodge on this subject.)

II. * A proposal from several brethren that the Board consider a plan whereby the Official Standard of the Work could be made available to other Master Masons who desired to have a copy, the details to be worked out by this Board, and upon such rules as the Board may deem proper.

THIRD MEETING

On January 6, 1961, a meeting of the Board was held in the Grand Lodge Office Building, 2921 Glenwood Avenue, Raleigh, North Carolina. All members of the Board were present except M.·.W.·.James G. Johnston, P.G.M., C.L. W.·.Nathan P. Strause, P.M., C.L., *Chairman*, presided.

1. The Board decided to continue the Area plan for Proficiency Examinations for 1961.
2. The Secretary reported that there will be due for re-examination in 1961, 83 Certified Lecturers, and 5 Certified Instructors, a total of 88.

3. The Secretary reported also that the cost of 58 jewels and aprons for District Deputy Grand Lecturers would be about $2,700.00. No action was taken on this matter until further information can be obtained.

(See Dockets Nos. 11 and 50 on Pages Nos. 78 and 169 in these Proceedings for the action taken by the Grand Lodge on this subject).

4. The Grand Lecturer reported another vacancy in District Deputy Grand Lecturers. Brother L. M. Thorne, District No. 5, found it to be impossible for him to serve further.

EXEMPLIFICATION OF DEGREES

The Board decided not to exemplify the Three Degrees at the Annual Communication of the Grand Lodge in 1961, because the change in the hour of convening from 7:30 p.m., to 3:00 p.m., on Tuesday does not allow enough time to do the work creditably.

PROFICIENCY EXAMINATIONS—1960

The Secretary reported on the Proficiency Examinations held in September 1960, as follows:

FIFTH MEETING

On April 16, 1961, at the Tryon Hotel, in New Bern, North Carolina, the Board held a meeting. All members were present except M.·.W.·.James G. Johnston, P.G.M., C.L. M.·.W.·.Harvey W. Smith, Grand Master, Chairman ex-officio presided.

A complete roster of each class and other data will be found on Pages 118-120 of these Proceedings.

MASONIC EDUCATION

There is a sustained and increasing interest in the Lodge System of Masonic Education. Therefore, we recommend that the Grand Lodge continue this educational effort; and, for the purpose of carrying out this recommendation, we present the following resolution and recommend that it be adopted:

*BE IT RESOLVED, That the Lodge System of Masonic Education approved by the Grand Lodge in 1935 (Pro. 1935, pages 32 and 86, and again in 1949, Pro. 1949, page 197), be continued and that each lodge be requested to put that plan in operation promptly.

*This resolution was adopted by the Grand Lodge.

We do not recommend at this time that this program be made mandatory.

LODGES LECTURED IN 1960

The record furnished by the office of our Grand Secretary indicates that 160 lodges were lectured for which the Grand Lodge allowed compensation. Sixteen Lodges were excused during 1960, making a total of 176 cleared during 1960 as having complied with Regulation 35-09. We report that 103 Certified Lecturers took part in lecturing lodges during 1960.

In addition to this sum, the several lodges paid the expense of the Lecturers and this amounted to $1,075.71, making a total of fees and expense of $8,085.71.

LECTURE SERVICE

We urge our Certified Lecturers to read and observe carefully the amended Rules for the Government of the Lecture Service as found in the Appendix to THE CODE and also printed in these Proceedings of the Grand Lodge.

W.·.WILLIAM KNOX PRICE, P.M., C.L.

We wish to pay tribute to W.·.William Knox Price, P.M., C.L., who has served as our Grand Lecturer for the past three years and is not now eligible to succeed himself. His dedicated service to our Grand Jurisdiction, particularly for the past three terms, has produced the present proficiency in the ritual, unexcelled in the history of our Grand Lodge and by hard work and persistent urging our lodges in general, are in excellent condition. This has not come about merely by wishing; a genial personality, a knowledge of the ritual, a persistent disposition and the patience of Job were welded together to give us such magnificent results. We are very grateful for his cooperation.

Respectfully submitted,

REPORT OF COMMITTEE ON APPEALS

(Docket No. 48)

The Committee on Appeals presented the following report, which was read, and upon motion, duly seconded, was adopted by sections and then adopted as a whole:

To the Most Worshipful Grand Lodge of North Carolina:

The Committee on Appeals respectfully submits the following report:

1. We have reviewed the record in all cases which have been completed since the Annual Communication in 1960, and now pending before the Committee, in all of which the punishment imposed was expulsion, and in none of which the accused appealed from the decision of the Trial Commission. We directed our attention to the validity of the appointment of Trial Commissioners, the service of notices upon the accused, the competency and weight of the evidence presented at the trial, and the decision of the Commission, all in accordance with the Regulations of this Grand Lodge as contained in Chapters 98 to 106, inclusive, of THE CODE of 1948, as amended. Your Committee approves the decision of the Trial Commission in the following cases, and recommends that the judgment of the Trial Commission in each case be affirmed by the Grand Lodge:

TRIAL DOCKET NO. 156: In the matter of charges preferred against a Master Mason of William G. Hill Lodge No. 218, A.F. & A.M.

Expelled: March 26, 1960.

TRIAL DOCKET NO. 160: In the matter of charges preferred against a Master Mason of Hamlet Lodge No. 532, A.F. & A. M.

Expelled: March 26, 1960.

TRIAL DOCKET NO. 166: In the matter of charges preferred against a Master Mason of Creasy Proctor Lodge No. 679, A.F. & A.M.

Expelled: February 24, 1961.

TRIAL DOCKET NO. 172: In the matter of charges preferred against a Master Mason of Stokes Lodge No. 32, A.F. & A.M.

Expelled: January 23, 1961.

2. We have reviewed the record in all cases which have been completed since the Annual Communication in 1960, and now pending before the Committtee, wherein the accused has been expelled under the provisions of Regulation 99-22. We particularly directed our attention to the strict compliance with the Regulation, and in each of the following cases we recommend that the decision of the Judge Advocate be affirmed by the Grand Lodge:

TRIAL DOCKET NO. 161: In the matter of charges preferred against a Master Mason of Kedron Lodge No. 387, A.F. & A.M.

Expelled: July 30, 1960.

TRIAL DOCKET NO. 163: In the matter of charges preferred against a Master Mason of Granite Lodge No. 322, A.F. & A.M.

Expelled: October 1, 1960.

TRIAL DOCKET NO. 165: In the matter of charges preferred against a Master Mason of Fulton Lodge No. 99, A.F. & A.M.

Expelled: July 30, 1960.

TRIAL DOCKET NO. 171: In the matter of charges preferred against a Master Mason of Sanford Lodge No. 151, A.F. & A.M.

Expelled: January 17, 1961.

TRIAL DOCKET NO. 173: In the matter of charges preferred agains a Master Mason of Gastonia Lodge No. 369, A.F. & A.M.

Expelled: February 16, 1961.

3. Your Committee has reviewed the record in TRIAL DOCKET NO. 162: In the matter of charges preferred against a Master Mason of William G. Hill Lodge No. 218, A.F. & A.M. In this case the Judge Advocate entered his order dismissing the complaint on July 20, 1960, for that the complaint was instituted by one not authorized to do so under the Masonic Law of this jurisdiction. We recommend that the order dismissing the complaint be approved.

4. In the matter of the Application of Early Leonard Brooks for Restoration to Masonic Rights and Privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. This petitioner was dismembered on February 18, 1953 (TRIAL DOCKET NO. 59). A true copy of application with statement of the grounds upon which the petitioner seeks restoration was served on Fair Bluff Lodge No. 190, A.F. & A.M., in accordance with Chapter 109 of THE CODE of 1948, as amended, more than ninety days before this Annual Communication, and no petition has been presented to the Grand Lodge in opposition to granting restoration to the applicant under the provision of Regulation 109-07. After carefully examining the record in this matter, this Committee recommends the Grand Lodge restore Early Leonard Brooks to all the rights and privileges of a nonaffiliated Mason.

5. In the matter of the Application of Alvin James Gladson for Restoration to Masonic Rights and Privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. This petitioner was dismembered on April 5, 1956 (TRIAL DOCKET NO. 103). A true copy of application with statement of the grounds upon which the petitioner seeks restoration was served on Montgomery Lodge No. 426, A.F. & A.M., in accordance with Chapter 109 of THE CODE of 1948, as amended, more than ninety days before this Annual Communication, and no petition has been presented to the Grand Lodge in opposition to granting restoration to the applicant under the provision of Regulation 109-07. After carefully examining the record in this matter, this Committee recommends the Grand Lodge restore Alvin James Gladson to all the rights and privileges of a nonaffiliated Mason.

6. In the matter of the Application of C.E.M. for Restoration to Masonic Rights and Privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. This petitioner was dismembered on January 7, 1952 (TRIAL DOCKET NO. 24). A true and complete copy of application with statement of the grounds upon which the petitioner seeks restoration was served on Bula Lodge No. 409, A.F. & A.M., in accordance with Chapter 109 of THE CODE of 1948, as amended, on January 7, 1961, more than ninety days before this Annual Communication. By resolution adopted at a stated communication of Bula Lodge on February 13, 1961, a petition in opposition to granting restoration to the applicant was certified to the Grand Lodge over the signatures

of the Master and the Secretary of the lodge under its seal. After carefully examining the record in this matter, this Committee is of the opinion that the seriousness of the charges which the petitioner was dismembered are such that petitioner is not entitled to restoration at this time. For that reason this Committee recommends that the Grand Lodge deny such application for restoration.

7. In the matter of the Application of C. E. B. for Restoration to Masonic Rights and Privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. This petitioner was dismembered on December 15, 1959 (TRIAL DOCKET NO. 157). A true and complete copy of application with statement of the grounds upon which the petitioner seeks restoration was served on Doric Lodge No. 568, A.F. & A.M., in accordance with Chapter 109 of THE CODE of 1948, as amended, on January 13, 1961, more than ninety days before this Annual Communication. By resolution adopted at a stated communication of Doric Lodge on March 10, 1961, a petition in opposition to granting restoration to the applicant was certified to the Grand Lodge over the signatures of the Master and the Secretary of the lodge under its seal. After carefully examining the record in this matter, this Committee is of the opinion that the seriousness of the charges for which the petitioner was dismembered are such that petitioner is not entitled to restoration at this time. For that reason this Committee recommends that the Grand Lodge deny such application for restoration.

8. In the matter of the Application of P. C. W. for Restoration to Masonic Rights and Privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. This petitioner was dismembered on February 18, 1956 (TRIAL DOCKET NO. 105). A true copy of application with statement of the grounds upon which the petitioner seeks restoration was served on Fellowship Lodge No. 687, A.F. & A.M., in accordance with Chapter 109 of THE CODE of 1948, as amended, on January 7, 1961, more than ninety days before this Annual Communication, and no petition has been presented to the Grand Lodge in opposition to granting restoration to the applicant under the provision of Regulation 109-07. After carefully examining the record in this matter, this Committee is of the opinion that the seriousness of the charges for which the petitioner was dismembered are such that petitioner is not entitled to restoration at this time. For that reason this Committee recommends that the Grand Lodge deny such application for restoration.

9. In the matter of the Application of J. D. H. for Restoration to Masonic Rights and Privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. A true and complete copy of application with statement of the grounds upon which the petitioner seeks restoration was served on Wake Forest Lodge No. 282, A.F. & A.M., in accordance with Chapter 109 of THE CODE of 1948, as amended, on January 10, 1961, more than ninety days before this Annual Communication, and no petition has been presented to the Grand Lodge in opposition to granting restoration to the applicant under the provision of Regulation 109-07.

In this case the petitioner was expelled on June 13, 1958, by Argonaut Lodge No. 461, F. & A.M., under the jurisdiction of the Grand Lodge of California, as a result of an Edict issued by the then Grand Master of California. His expulsion was affirmed by the Grand Lodge of California on October 2, 1958, and due notice was served on Wake Forest Lodge, in accordance with the Regulations of this Grand Lodge. This Edict of the Grand Master was revoked at the 1960 Annual Communication of the Grand Lodge of California; however, such action did not automatically restore the petitioner to the status of an unaffiliated Mason.

After carefully examining the record in this matter, this Committee is of the opinion that at this time the Grand Lodge of California has prior jurisdiction over the petitioner. For that reason this Committee recommends that this Grand Lodge dismiss without prejudice such application for restoration.

Respectively submitted,

NORWOOD P. PARKER, P.M., C.L., *Acting Chairman*
ARMON E. BAGGETT, P.M.
CLARENCE B. SHULENBERGER, P.M.

FINAL REPORT OF THE COMMITTEE ON MASONIC JURISPRUDENCE

(Docket No. 49)

The Committee on Masonic Jurisprudence made the following report which was read, and each item and subdivision was adopted by more than two-thirds of the votes cast, then the report as a whole was adopted by unanimous vote:

To The Most Worshipful Grand Lodge of North Carolina:

Your Committee on Masonic Jurisprudence respectfully submits the following report. For convenient reference, we use the same subjects, titles and subdivisions of the Report of the Grand Master as used by him, or the Docket number as used in any report, or other document submitted for our consideration and action, in all references to those matters and subjects.

OFFICIAL OPINIONS

Item 1. The Grand Master reported fifteen (15) Official Opinions in his address. We recommend that the Grand Lodge approve all of those opinions, *except* Official Opinions Number One (1) and Nine (9) and we now report further as to those:

We have carefully considered Official Opinions Number 1 and Number 9 and we note that they are directly in conflict with Regulation 88-03, and we recommend that these two Official Opinions be set aside and disapproved by the Grand Lodge. [7-06; 9-01(3); 16-01; 16-03(2); 16-06(12)].

The terms of Regulation 88-03 are clear and specific in requiring that a Master Mason must have been in "good standing continuously for 25 years or more immediately preceding the Award," before he is qualified for it.

We also point out that Regulation 88-05, provides for border line cases, where the brother is not at fault, but in the cases before us

it appears that these brethren were at fault because they could have avoided exclusion. We do not believe that the Grand Lodge should approve changing the qualification from "continuous membership" to the "payment of money" for this Award.

If a member who has been excluded once, or several times, for non-payment of dues should pay the dues for all of the periods of time during which he was non-affiliated by exclusion, such payment of money cannot alter the fact that he had been excluded and the records of the lodge and the records of the Grand Lodge, should not be altered to show that he had been in good standing when in truth and in fact he had not been in good standing during the period, or periods, of his non-affiliation by exclusion.

However, we further recommend that the entire question of Veteran's Awards and Service Certificates be carried over and referred to the incoming Grand Master for his attention and recommendations.

COMMITTEE ON MISCELLANEOUS MASONIC CEREMONIES

Item 2. Under this subdivision of his report the Grand Master suggests that the title of this Committee be changed to Committee on Masonic Ceremonies and Miscellaneous Publications, for the purpose of equipping the Committee with adequate authority to embark on a program of activities to make available to the Masons of North Carolina more information on Masonic topics, the details of such program being omitted.

We think that Regulations 35-06(5) and 38-18 will have to be revised before this Committee would be authorized to embark on such programs, since its activities are now exclusively related to certain Masonic Ceremonies.

Therefore, we recommend that this item be carried over to the next annual communication to give interested members a reasonable opportunity to prepare suitable amendments to THE CODE to properly authorize the Committee to act. Merely to change the name of the Committee is not a grant of authority to pursue programs not designated in Regulation 38-18.

RECOMMENDATIONS

Item 3. The following recommendation was made by the Grand Master under this subdivision of his Report:

> "I recommend that THE CODE be amended so that the jurisdiction lines be frozen as the jurisdiction lines of 1954, regardless of the expansion of the various city limits to protect our small lodges from encroachment."

We have considered this recommendation, however, we understand that the subject is at present in the hands of a special committee for investigation and report and that the committee will not be able to report their findings at this time, we recommend that it be carried over and referred to the incoming Grand Master for his attention.

AMENDMENTS TO THE CODE—APPROVED

Item 4. The following proposals to amend THE CODE were referred to us before noon of the second day of this annual communication as required by Regulation 111-01(4) and we recommend that

each proposal hereafter identified by its Docket number, be adopted by the Grand Lodge to wit:

DOCKET NO. 12; a proposal to amend Regulation 30-06 of THE CODE as set out in that Docket.

DOCKET NO. 13; a proposal to amend Regulation 88-04(1) of THE CODE as set out in that Docket.

DOCKET NO. 14; a proposal to amend Regulation 84-22 of THE CODE as set out in that Docket.

REPORT OF THE COMMITTEE ON FINANCE

(Docket No. 50)

The following report of the Committee on Finance was read, unanimously adopted by sections, and then unanimously adopted as a whole:

To The Most Worshipful Grand Lodge of North Carolina:

Your Finance Committee reports that they have checked the report of the Grand Secretary and the audit of the Grand Auditor, and find that the Grand Secretary's Office received the following amounts from the sources tabulated and in parallel columns are shown estimates made in 1960.

ITEM: I	ACTUAL	BUDGET
1. Charges to Lodges, Per Capita, Initation Fees, Charity and Other Charges	$179,969.00	$178,625.00
2. Drewry Memorial Fund	2,889.23	2,500.00
3. Refunds-Audits	700.00	700.00

7. Interest Earned Building & Loan Assn.	2,916.66	—0—
	$195,364.87	$184,825.00

ITEM: II

We underestimated our income by $10,539.87 which was caused by sale of books, interest earned and miscellaneous items of income. We didn't take into account income from Permanent Fund of $5,032.72. We overestimated our expense by $2,799.10.

We have carefully checked the report of the Board of Directors of the North Carolina Masonic Foundation, Incorporated, and we commend the management of this Permanent Fund in their charge. We recommend that net income from this Fund be left in the Foundation. The loss of Brother A. W. Madison by death was a great blow and we shall cherish his memory.

We are delighted to report that on December 31st there was due from Lodges only $277.00, which we consider an exceedingly small Accounts Receivables.

GRAND MASTER HARVEY WARD SMITH

We highly commend Most Worshipful Brother Harvey W. Smith for his diligent attention to the cause of Masonry and the affairs of the Grand Lodge. His great wealth of business experience was of inestimable value in the administration of the affairs of the Grand Lodge, Oxford Orphanage, and The Masonic and Eastern Star Home. He has endeared himself to the Masons in this State by being one of them, on the level with them. His great interest in Masonry is in Masons, for he knows that Masonry is Masons.

To do what he has done has required him to neglect his far-flung business with considerable financial sacrifice to himself, and the Grand Lodge owes him a debt of gratitude. But not only has he given of his time and substance, but he has given of himself, and he leaves office with the esteem and affection of the Masons in North Carolina.

We regret his year as Grand Master is over, but we rejoice in the privilege of working with such a man. We shall not soon see his like again.

EXPRESSIONS OF THANKS TO NEW BERN

(Docket No. 54)

R.·.W.·.Brother W. Edward Burrier, Senior Grand Warden-elect, presented the following expressions of thanks to the Brethren of New Bern and the Masons of the Seventh Masonic District:

From what may seem time immemorial, two (and probably a great many more) of our good brethren, the good Judge Dick Bundy and our outstanding exponent of Baptistic Theology, Robert L. Pugh, have extolled the virtues of this land where the Trent and the Neuse meet to form the mighty Atlantic Ocean, this lovely land of Craven County, and more especially this borough of hospitality, the City of

New Bern, the "Garden of Eden". During the past twelve months the glowing descriptions we have had of the glories and beauties have been even more accentuated by our distinguished Grand Master, Most Worshipful Brother Harvey W. Smith, who has promised us and told us so much about the Promised Land that many of us came with some cynicism to this 174th Annual Communication of the Grand Lodge of Masons of North Carolina.

To paraphrase a great man, we came, we saw, but *we were* conquered by the beauties, the hospitality, the courtesy, and just in so many ways by so much more than we had been told.

For a glorious session, we are much indebted to St. John's Lodge No. 3, Zion Lodge No. 81, Bayboro Lodge No. 331, Mount Vernon Lodge No. 359, Vanceboro Lodge No. 433, Rainbow Lodge No. 479, Doric Lodge No. 568, Ionic Lodge No. 583, and Cherry Point Lodge No. 688, which are the lodges in the Seventh Masonic District.

It would be impossible to specify each of the several hundred Masons who have contributed their efforts, hence to each of them, we will channel through their most efficient General Chairman the expression of gratitude of this Grand Lodge. To a very distinguished Mason, Brother William I. Gause, and his co-workers, we shall always be grateful.

To a great organization dedicated to that second great law of the Master "To Love Thy Neighbor" and whose efforts with little crippled children are so expressively symbolized, we want to express our gratitude to Sudan Temple for its favors that are so many they cannot be enumerated here.

To the Sun Journal for its fine cooperative publicity, to Radio Stations WRNB and WHIT for their unstinting cooperation, and to Television Station WNCT for the use of its facilities, Masons will always be grateful.

And now we have found in New Bern not just a City in which to hold a Masonic gathering, but rather a wonderful group of citizens who have received us to be part of their lives these several days.

The Garden of Eden has been everything and more than everything we had been promised by Most Worshipful Brothers Pugh and Bundy, but unlike Adam and Eve who went out of the Garden never to return, we have learned to love it and appreciate New Bern so much we hope you will let us return.

Respectfully submitted,
W. EDWARD BURRIER, P.M., *Senior Grand Warden-elect*

INSTALLATION REMARKS OF M.·.W.·.JAMES WOODROW BREWER

Grand Master of Masons in North Carolina

Most Worshipful Brother Harvey W. Smith,
Most Worshipful Brother Robert Lee Pugh,
Most Worshipful Brother William J. Bundy,
Distinguished Visitors,
Officers of the Grand Lodge of North Carolina, Past Grand Masters,
Brethren of the Subordinate Lodges of this Grand Jurisdiction,
And all Visitors here assembled:

Being installed as Grand Master of Masons in North Carolina fills me with deepest humility. Because of the faith and confidence of my brethren throughout this Grand Jurisdiction, I stand in this position fully conscious of the obligations and responsibilities that now rest upon my shoulders. I would like to express my appreciation to two of the most prominent Masons of our great State: Most Worshipful Brothers Robert Lee Pugh and William J. Bundy. I cherish their friendship and appreciate the guidance that they have given me during my advancement through the chairs of the Grand Lodge.

In April of 1954, when Most Worshipful Brother Robert L. Pugh appointed me to the office of Junior Grand Steward of the Grand Lodge of North Carolina, I promised myself that I would try to prove worthy of this responsibility. Tonight I solemnly renew this promise and ask the support of all my Masonic brethren. I will continually seek the guidance of the Grand Artificer of the Universe to help me fulfill the duties of this office to the best of my ability.

To all the Masons of North Carolina, I promise that I will strive to carry the message of Masonry across our beloved State and at all times to be mindful that I am but a servant of the 63,000 members of this great Fraternity.

To all those present, including the Past Masters and brethren of my own lodges in Greenville, who have had a part in this Installation Service, I shall ever be grateful.

I seek the loyal support of the other Grand Lodge Officers who have been installed tonight, and I will ever look to them for their advice and counsel.

In the near future I am planning to call together the District Deputy Grand Masters of the 58 Masonic Districts, at which time, with the help of my fellow officers, we plan to give them a comprehensive program to take back to the subordinate lodges.

I appreciate the work that the Superintendent of Oxford Orphanage, Brother Leon Gray, and his staff are doing for the underprivileged children of North Carolina, and I am sure that the Masons of this State will continue their loyal support of this great institution.

I am also aware of the wonderful work being done at the Masonic and Eastern Star Home in Greensboro by its Superintendent, Brother Troy Robbins, and his staff. I am sure that we all are grateful for the excellent care being given our aged brethren of the Masonic Fraternity and sisters of the Eastern Star. For their efforts we are deeply appreciative.

I would also like to compliment our Most Worshipful Brother Harvey Ward Smith, who has given so much of his time and has done such an outstanding job as Grand Master of Masons in North Carolina this past year. The same commendation I extend to our Grand Secretary, Most Worshipful Brother Charles A. Harris. I am mindful of the wonderful support that I will receive from him during my year as Grand Master.

I could not close tonight without expressing my deep love and gratitude to my family for the marvelous support they have given me in my Masonic undertakings. My wife, Louise; my daughters, Ann and Judy; and my son, Clark, have been an inspiration to my life in my efforts to treat my fellowman as a brother.

To our friends assembled here, we are indeed happy that you have shown your interest in Masonry by your presence, and we are delighted that you were able to attend this Installation Service.

As I come to the end of my closing remarks, I pause again to ask the support of the Masons of this State in helping to make this Masonic year a most successful one. Above all, I pray that our Supreme Father will give me the spiritual guidance and physical ability to perform the duties and obligations of this office throughout the year

RULES FOR GOVERNING THE OFFICIAL STANDARD OF THE WORK AND THE VOCABULARY

●

(In Effect June 8, 1951)

The Official Standard of the Work and the Vocabulary adopted by the Grand Lodge in April, 1942, are to be distributed under the following rules made by the Board of Custodians, pursuant to Regulation 30-08, as adopted in 1948, and as amended in 1951.

(Promulgated by the Board of Custodians, at Charlotte, N. C., June 8, 1951).

Rule 1. The Grand Secretary shall be the Custodian of all unissued copies of the Official Standard of the Work and the Vocabulary, and shall issue them only upon proper written application. He shall provide all forms of application, receipts and other documents necessary to account for the same, and shall keep a record of all copies issued, and to whom issued.

Rule 2. Receipts for the Official Standard of the Work or the Vocabulary shall be given on such forms as may be prescribed by the Grand Secretary. Immediately on receipt of a copy of either, the brother receiving the same shall sign proper receipt, which shall be transmitted to the Grand Secretary promptly.

Rule 3. The Vocabulary shall be issued only to Secretaries of our subordinate lodges, who shall receipt therefor and be held responsible for the same. He shall transfer the Vocabulary, so issued to him, to his successor in office and take his receipt for the same, which shall be forwarded immediately to the Grand Secretary. In the event he is unable, for any cause, to deliver to his successor the copy of the Vocabulary in his possession, the Master of his lodge shall take up his copy of the Vocabulary and re-issue it to his successor in office, taking his receipt for the same which shall be forwarded immediately to the Grand Secretary.

Rule 4. Only each of those in the following categories are qualified to apply for and obtain the loan of one copy of the Official Standard of the Work, to-wit: Masters, Senior Wardens, Junior Wardens, Senior Deacons and Junior Deacons and the two Stewards of our subordinate lodges; Grand Lodge Line Officers, District Deputy Grand Masters; members of the Board of Custodians; Certified Lecturers, and Certified Instructors, while they occupy the said offices and positions and while they are qualified as indicated in this Rule.

Rule 5. (a) At the installation of officers following the annual election, each retiring officer elective or appointive in the Grand Lodge and in our subordinate lodges shall deliver to his successor in office the copy of the Official Standard of the Work held by him, and in the event his successor has a copy, then the retiring officer shall transfer his copy to a new officer entitled to the same, who does not have a copy, and the successor so receiving the Official Standard of the Work shall sign the prescribed receipt therefor, which shall be forwarded immediately to the Grand Secretary. It is the purpose of this paragraph to make it possible for a brother to retain

the same copy of the Official Standard of the Work originally issued to him so long as he is entitled to have the use of the same under Rule 4.

(b) In case a brother, who holds a copy of the Official Standard of the Work under Rule 4, should vacate his office or lose the qualification which entitles him to the use of a copy of the Official Standard of the Work, due to death, resignation, lapse of certificate, or for any other cause, then the Master of his lodge shall take up the copy of the Official Standard of the Work held by such brother and either forward it to the Grand Secretary, or re-issue it to a brother who fills the vacancy, if any, and take a receipt for the same, which receipt he shall forward to the Grand Secretary immediately.

Rule 6. No writing, marking or notations of any nature whatsoever shall be made in or upon any copy of either the Official Standard of the Work or the Vocabulary, and it shall be the duty of any Grand Lodge Officer, District Deputy Grand Master, District Deputy Grand Lecturer, or any Certified Lecturer, at any time, to call for any copy of either, and examine the same to determine whether this Rule has been violated; and if it has been violated, he shall immediately take up such copy marked in violation hereof, and forward the same at once to the Grand Secretary, and report his action to the Grand Master without delay. [See also Regulation No. 30-07(4)].

Rule 7. In case of loss or destruction of either the Official Standard of the Work or the Vocabulary, the Grand Secretary shall be notified immediately, giving a full report of the circumstances surrounding the said loss or destruction.

Rule 8. Neither the Official Standard of the Work nor the Vocabulary shall be used in any lodge while conferring the degrees, nor at any time in coaching or instructing candidates.

Rule 9. Neither the Official Standard of the Work nor the Vocabulary shall be issued to one entitled to the use of the same under these Rules, unless applied for in writing on the proper form, except as provided in Rule 5.

RULES FOR THE GOVERNMENT OF THE LECTURE SERVICE

(June 14, 1957)

(Promulgated by the Board of Custodians June 11, 1948, effective July 1, 1948, and amended in 1953, 1956, and April 17, and June 14, 1957).

1. Lecture Districts are hereby abolished.
2. A Class "A" Certified Lecturer may accept an invitation to instruct in the Ritualistic Work from any lodge in the State of North Carolina, regardless of location.
3. Class "A" Certified Lecturers are urged to co-operate in this work by accepting invitations to instruct in the Ritualistic Work from lodges located near their residences.
4. (a) The revised and amended Regulation 35-09, effective April 17, 1957, reads as follows:

REG. 35-09. Each subordinate lodge shall engage the services of a Certified Lecturer for instruction in the ritualistic work for one week or the equivalent thereof every two years.

At least fifteen consecutive calendar months shall elapse between the dates of such instruction.

However, the Board of Custodians in its discretion, and upon application, may excuse a lodge from this requirement for not more than one year from the date of its application; and thereafter the Board in its discretion, and for good reasons, and upon another application, may excuse the lodge for not more than one additional consecutive year (making a limit of two consecutive years that such lodge may be excused), and after which no further excuse shall be granted such lodge until after it has been actually instructed as hereinbefore required.

A lodge that has been excused shall obtain the required instruction in the ritualistic work through the Lecture Service within one year after the last day of the period for which it was last excused.

A lodge that has not been lectured *within four years* shall *not* be excused.

EXAMPLE SHOWING OPERATION OF THE ABOVE

Lines			
	LODGE "A" was last lectured	1-157	
3	It is delinquent two years *after* that date	1-1-59	2 years
8	First application for excuse (1-1-59 good for 1 year)	1-1-60	1 year
11-12	Second application for excuse (1-1-60 good for 1 year)	1-1-61	1 year
20-21	TOTAL years from date last lectured		4 years
13-20	It can NOT be excused again until after it is lectured.		
18	MUST be lectured within *1 year* AFTER 1-1-61	1-1-62	1 year
	Years between lecture service, maximum		5 years

(b) For the instruction required in Regulation 35-09, as quoted above in lines numbered 1 through 5, the Grand Lodge will allow credit, or will refund to a lodge the fee, as set forth in Rule 5 below.

(As amended and approved by the Board of Custodians. 6-14-57).

5. The required one week of instruction may be complied with in either of the two following methods:

(a) The lecturer may visit the lodge for the entire week on one trip, and he shall give not less than thirty hours of ACTUAL INSTRUCTION, *excluding* travel time and time when he is not actually instructing; *provided*, also that there shall be instruction on each of not less than five different days, *all within seven consecutive days*, and for this class of service the fee shall not exceed $50.00 per week, or

(As amended and approved by the Grand Lodge. Page 185. Pro. 1956).

(b) He may make several trips to the lodge, in which case instruction must be given for not less than twenty-four (24) hours of ACTUAL INSTRUCTION, *excluding* travel time and time when he is not actually instructing; *provided*, also, that there shall be instruction on each of not less than five different days, and all within a period of thirty (30) days, beginning the first day of the lecturer's engagement, and for this class of service the fee shall not exceed $40.00 for twenty-four hours of instruction. (See Rule 13).

6. The Board of Custodians recommend that the instruction be rendered on consecutive days, whenever it is practical or if circumstances render it more efficient, but this is not mandatory.

7. A Class "A" Certified Lecturer, during the period he is on the roster of such class, is authorized to instruct subordinate lodges for compensation.

8. A Class "B" Certified Instructor, during the period he is on the roster of such class, may give instruction in the scope of work coming under Class "B," for which he shall *not* receive compensation; but this class of instruction shall not be considered as compliance with Regulation 35-09.

9. The Grand Lodge will refund to a lodge, or will allow it a credit for, the fee actually paid out as set forth in Rule 5, when the lodge is instructed for the minimum of one week in every consecutive two years as required in Regulation 35-09, and in these rules. If the lodge does *not make a payment* for the instruction the Grand Lodge will not allow a credit nor make a refund, but a *report* of the instruction given shall be made as required under Rule 13.

(a) A subordinate lodge will pay the lecturer the fee for instruction according to the class of instruction given, as defined in Rule 5 (a) or (b). After payment of such fee, the lodge shall, within ten days, forward the lecturer's certificate of service, under the seal of the lodge, and the lecturer's receipt for payment to the Grand Secretary, who will determine whether, under Regulation 35-09, and these rules, the lodge is entitled to a refund for the instruction, and if it is, he will either reimburse the lodge by voucher the stipulated amount, or credit the lodge's account with the same.

(b) All such certificates for reimbursement of fees for lecture service paid out by lodges shall be filed with the Grand Secretary on Official Form No. 38 before December 20 of each year. (See Rule 13).

10. A lodge desiring instruction in the Ritualistic Work shall make all the necessary arrangements and agreements for the service with the Class "A" Certified Lecturer of its choice. Immediately after such service has been rendered, the lodge shall:

(a) Pay all proper transportation, board and lodging expense, necessary to fill the engagement, incurred by the lecturer.

(b) Transportation expense shall not exceed eight cents per mile actually traveled, each way, when private automobile is used, or it may be the actual railroad or bus fare between the residence of the lecturer and the lodge served. Transportation expense may properly be the subject of a special agreement between the lodge and the lecturer, before the instruction is commenced. It is the intent of the Board of Custodians that travel expense, board and lodging shall not be made an unreasonable burden on lodges.

(c) Comply with Rule 13, below.

11. A lodge *not entitled* to instruction in the Ritualistic Work, under Regulation 35-09, and these rules, which accepts instruction from any Class "A" Certified Lecturer, will pay the fee, as defined in Rule 5 (a) or (b), for such instruction and the expenses of the lecturer rendering the service without reimbursement from the Grand Lodge. (See Rule 13).

12. A lodge may obtain *special* lecture service or instruction as often as it desires. But the lodge, in such case, will pay all fees as set forth in Rule 5 (a) or (b) and such expenses incident thereto which exceed one week in every two consecutive years as set forth in Rule 4, without reimbursement from the Grand Lodge. A report of any such work done must be made as required in Rule 13. (See also Rule 10).

13. Within ten days after *any* lecture service is rendered a lodge under Rule 5 (a) or (b), whether or not it is *paid for* by the lodge, shall be reported by the Secretary of the lodge to the Grand Secretary on N. C. Official Form 38, for the Grand Lodge records. [See also Rule 9 (b)].

14. In all cases in the ritualistic work where the Official Standard of the Work is silent as to any action in floor work, or other work, no Certified Lecturer or Certified Instructor, or any brother, shall be authorized to insist that his idea of the subject is positively the only way to do that particular thing; he may state "his opinion," but he is not authorized to insist that his way is the only way to do such work.

(As approved: Pro. 1953 P. 161. Effective 4-22-53).

15. The Grand Secretary shall prepare and provide all forms for certificates, reports and records under these rules.

16. When these rules become effective on June 14, 1957, all previous rules which are in conflict herewith are hereby repealed.

17. In computing the time elements set out in Regulation 39-09, the *last* day of any determinative-period-of-actual-instruction shall be used.

By authority of Regulation 35-08 (3).

FRATERNAL CORRESPONDENCE

REVIEW OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

●

This year's review can differ only in detail from that of last year. The chief concern of the various Grand Masters would seem to be still declining members and poor attendance. The Masonic Service Association sent out a bulletin in December 1960 dealing with these problems. It showed quite clearly that in a time of expanding population Masonry has failed to keep pace. The total number of Masons in the United States in 1959 (4,108,022) was only about 90,000 more than in 1955. The total number raised showed a steady decrease over a five-year period while the number who demitted or were dropped N.P.D. showed a substantial increase. In 1959, 23 Grand Lodges reported a net decrease. While statistics are not at hand, the number would seem to be larger for 1960.

Poor attendance is certainly linked with the number of demissions and suspensions of men who have lost interest in Masonry. M.·. W.·.Arthur H. Strickland, P.G.M. and P.G.S. of Kansas in a *Philalethes* article quoted in the bulletin blames it in part on the dullness of many Masonic meetings, particularly those at which all visiting dignitaries are recognized and asked to say a few words. I should like to quote at length from his article.

> We believe that small attendance is also based on another reason, an underlying and very basic thing that is rather generally overlooked in discussions about Lodge attendance.
>
> In its early and formative period, Masonry was a serious, dignified and much respected organization. It continued this way for many, many years. It was looked up to by members and profane alike as representing the highest tpye of association. Masonry went along its quiet, unobtrusive way without fanfare or trumpeting, and it was known to the profane only by the deeds of charity and benevolence that were the characteristics of the Order. There was no attempt made to advertise the Fraternity, and the Mason, himself, was very reticent about the affairs of his group.
>
> The organization adhered to its original purpose of teaching the great doctrine of the Fatherhood of God, and the Brotherhood of Man, and the principles of Brotherly Love, Relief and Truth. It kept aloof from all entanglements with religious or political parties. It made no effort to make of itself an organization for mere entertainment. It was different from all other societies and it had only the most altruistic motives and the highest ideals and purposes.
>
> Masonry has always welcomed all good men into its ranks, regardless of their station in life or their financial standing. All petitioners for our degrees were carefully investigated, and each candidate was required to wait an interval before proceeding to the next degree. The Committees on Investigation were careful and thorough, and when they had finished their work, the Lodge had a true and complete report on the merits of the petitioner. The degrees were

conferred in a precise, dignified and correct manner, and the candidates were impressed with the beauty of the ritual and the doctrine it presented.

In the last fifty years this has changed, and the change is being accelerated. While the matter of proselyting is barred by law, by custom, and by tradition, many officers and members almost openly flout this. Many members do everything but actually ask prospective candidates to sign petitions. We have been carried away with the idea of rushing candidates through the degrees in droves. Grand Masters issue Special Dispensations to shorten the time between degrees for almost no reason at all. We are constantly asking that the courtesy work be done in other Lodges, and in other states, so that soldiers, sailors, students, salesmen and almost anyone else can rush through his work and put on a pin. Committees on Investigation are lax and indifferent, and many times make a favorable report on material that should be barred from our doors.

We are striving for members, and in this modern desire to be the "biggest" of the "first," we have taken from Masonry that thing which charmed our older Brethren, and which made Washington, Franklin, and all the other great men who have been members, devoted to the Order.

In other words, we have denaturalized Freemasonry. We have tried to make of it something that it was never intended to be. We have cheapened it in our rush to get members and publicity. We have made it too easy to obtain. We have taken from it that element of quiet dignity that it had, and tried to inject modern entertainment and diversion.

The thinking candidate who approaches the degrees with "a favorable opinion conceived of the Order," in many cases does not now find the thing that attracted his father or his grandfather. He is disappointed when he sits through a whole communication and hears nothing more enlightening than a discussion of the plans for the annual picnic or dance. He probably feels that he can attend a better picnic or a better dance elsewhere, and if that is all that Masonry has to offer, he might as well stay away.

Each of us who believes in real Freemasonry must take the position in our Lodges, that we oppose the matter of proselyting; that we will use whatever influence we have to get our officers to adhere to the legal requirement for time between degrees; that we will encourage new petitioners to take their degrees in the Lodge that has accepted them, and discourage requests for courtesy work. Let us eliminate the frivolity and the slapstick, and let us all exert our utmost endeavors to restore to Masonry that dignity, that devotion to ideals, that adherence to principles, that loyalty to things right and good, that made it the great institution that it really is.

We have tried a lot of things to attract our members. Why not try giving them the thing they sought, namely *Freemasonry*?

Here is a statement worthy of consideration by all our lodges.

In the same bulletin the Grand Secretary of Wisconsin adds another interesting note. He finds that young men are more anxious to do things with their wives and families and as a result are not interested in the man's world of fraternalism. His answer is that Masons must live as exemplars of their noble profession and so attract worthy men who wish to emulate them.

The Grand Master of New York regards the situation calmly as a product of the time and predicts further decline for a period.

From the standpoint of young men who otherwise would be attracted to our Fraternity at an early age, we find that many are taking advantage of the oportunities offered by the professions and industry which requires residence in other parts of the country and even abroad; also, compulsory military training is another factor which will account for young men deferring their applications for membership, since following completion of their service they will be concerned primarily with getting established in civilian life.

The result of all this is that, until the situation is stabilized, over the next few years, we may not experience an upturn in numbers of new members, but possibly further reductions; meanwhile, the present trend towards a higher average age for new members will continue.

What I would like to convey by this analysis of the situation as respects membership, is that there are valid explanations why, temporarily, we must anticipate further slight declines in our membership. At the same time, however, while adapting ourselves to the changed conditions which affect us, we must recognize that there are very definite problems and challenges to be overcome. Indeed, it is my view that the time has come when Masonry should adopt a more open policy so that non-Masons may know what it stands for and what its noble aims and purposes are.

We should not ignore the fact that there are many misconceptions held by our non-Masonic friends which should be cleared up.

What is unique about our Fraternity, which sometimes puzzles our non-Masonic friends, is the fact that there is a strict prohibition against the solicitation for membership, and that those seeking admission to the Fraternity must do so of their own volition.

Membership in the Fraternity requires a belief in the higher purposes of life and a willingness to render service to mankind, not only through charity and benevolence, but by helping to promote the spirit of Brotherhood and Human Kindness throughout the world, as this is the great mission of Freemasonry. Masonry strives to be an effective force for good in the world and it offers no inducements to prospective candidates other than the opportunity to render service to others, in keeping with the idealistic concept of Brotherhood.

In essence, Freemasonry is a way of living, and it has been well said that

> "Masonry cannot, in our age, forsake the broad way of life. She must walk in the open street, appear in the crowded square, and teach men by her deeds—more eloquent than lips."

As a Fraternity, we have a proud story to tell, and our present and past deeds speak for themselves. We have nothing to hide or to defend.

Many other remedies are suggested. Some Grand Masters call for greater publicity of Masonic activities and their purposes. Some see in DeMolay a preparatory basis for future Masonic membership and urge its support on that ground as well as on service to youth. Many suggest more interesting programs for meetings and some add more open meetings to interest the wives and families of members as well as inform the general public. We shall see them as we review the Proceedings.

May this reviewer be pardoned a personal note. I have many friends on the University faculty who tell me that their fathers were Masons. They further add that they did not join because their fathers never invited them to. Is it not possible to impress upon the young the values of Masonry so that they will not wait to be invited and at the same time let them know that they must ask for themselves?

The brighter side of the picture continues as last year. Many Grand Lodges report the formation of new lodges, the laying of cornerstones and dedication of new temples. Interest rises in pamphlets, forums, and other means of Masonic education. Interest in and support of DeMolay, Rainbow and Job's Daughters seems to be increasing. No cause for despair is present but a need for rededication of all to the purposes of Masonry.

Many of these observations will become clearer as we make a brief review of Proceedings at hand.

Masonry is prospering in *Arizona* (net gain, 404). The Grand Master constituted three lodges, and laid two cornerstones of temples. Three new lodges were given dispensations. Many lodges raised their fees and dues. All lodges were represented at the meeting of Grand Lodge. The Grand Lodge gives five college scholarships of $200.00 each to assist DeMolay boys to advance their education. "Masonry is growing in Arizona and we must find means of keeping up with this growth."

Arkansas reported a loss of 199, forty-three less than in 1959. "It is our suspensions that throw us into a loss." One lodge suspended 34 per cent of its membership. Nevertheless the Grand Master laid cornerstones for six new temples and dedicated four. One new lodge was instituted. A large group of DeMolay boys took part in a DeMolay service at the opening of Grand Lodge. The Grand Lodge adopted the so-called Pennsylvania plan for the endowment of the George Washington National Masonic Memorial and appropriated ten dollars for each lodge from Grand Lodge funds. It also appropriated $20,000 to complete the cost of the house of the Acacia Fraternity at the University of Arkansas. The Public Schools Committee recommended

support from all Masons for improvement in the public schools, increased salaries for teachers and active participation in Public Schools Week.

> We believe that every child is entitled to receive without cost, in a tax supported public school, an education suited to his needs and capabilities—and in the best schools, and with the best teachers that can be provided.
>
> We believe that only as every citizen and taxpayer, parent or not, becomes actively interested in our public schools, will they reach their highest efficiency.

The Committee on Masonic Education established Zone Institutes with Masonic programs (112 speakers in all).

The reports of the committees on the Children's Hospital, the Hospital Service Committee for the Veteran's Hospital and the Masonic Children's Building at the Arkansas Tuberculosis Sanatorium make inspiring reading. "Masonry is on the march in Arkansas."

California net gain 1,691) reported the constitution of five new lodges, the institution of six U.D. and the dedication of twelve new Masonic temples, the laying of cornerstones for five public buildings and one church.

"It is contrary to Masonic law or regulations to manufacture and sell ashtrays bearing Masonic emblems." "Such conduct would be in contravention of our law and even though such merchandise be given away it would be in the utmost bad taste."

A question which arises often—can the Grand Lodge enter into a project of a home for the aged who are paying guests—was answered no by the Grand Master. Such is not properly "Masonic charity."

He issued an injunction against the use of the word Masonic for political groups. A proclamation designated September 1960 as Constitution Observance month and directed all lodges to memorialize the occasion. A marked increase in Masonic interest in DeMolay was reported and further support was recommended.

A curious discussion appeared in the report of the Committee on Ritual which should interest many of us. Should the brethren sing America or the National Anthem in the flag ceremony. The Committee felt that the former was more practical but agreed to let the Master of the lodge choose provided that there must be musical accompaniment for "The Star Spangled Banner."

The Grand Orator Judge Levin took as his topic "The Spirit of Freemasonry in a Time that Tries Men's Souls." We quote regretfully only one page.

> Without intending to be presumptuous in any manner, I am setting forth several suggestions of practical operation in summary:
>
> 1. Observe in thought and action the rule of the law as the law of freedom by showing respect yourself and encouraging in others regard for the institutions of our American democratic government.
>
> 2. Strengthen your moral integrity and courage in your determination to live your Masonry. It has been the proud preachment of our Grand Master, Joe L. Shell, that each Ma-

son must practice Masonic principles toward *all* men. Follow his admonition by being kind to family, friend and foe. Recognize that Masonry is more than a ritual. It is a way of life. Translate our ritualistic work into practical application by performing in daily living brotherly love and charity for the benefit of all fellow men alike. Remember that the destiny of Masonry begins with each of us by our actions in everyday life. As noted in the charge to Entered Apprentices: "Be faithful to the trust committed to your care * * *."

3. Don't sell America short but insist on the adjustment of the perplexing problems pressing from all sides by understanding the political issues of the times and the national purpose. Be direct and forthright in dealings with your fellow men and a leader in promoting good citizenship.

4. Participate to the extent of your ability in enterprises of a public nature. Express confidence in and encourage other Masons in such endeavors.

5. Contribute through encouragement and in any other way within your power to the technological and scientific advances of our nation.

6. Promote and support the public schools of America by participation in public school programs, by serving on public school boards and by aiding in raising the standards of public education.

7. Respond to the summons of the Supreme Grand Master, our ultimate authority, found in the GUIDEBOOK of our lives:

"Be strong and of good courage; be not afraid, neither be thou dismayed: for the Lord thy God *is* with thee, withersoever thou goest" (JOSHUA, c. 1, v. 9).

Colorado (net gain 373) constituted four lodges and instituted four. The Grand Master forbade the use of the word Masonic for a bowling league composed only of Master Masons. He felt this would promote a private enterprise. He also forbade the name Masonic for a park for Masons.

The Grand Lodge refused to sanction sponsorship of DeMolay by lodges in spite of the Grand Master's recommendation. It did pass a resolution commending DeMolay for its work. The Public Schools Week program was continued. The Grand Lodge voted down a proposition for a Masonic Home as not needed.

Many lodges are preparing histories of their lodges for the Centennial Book.

The Grand Orator spoke on the duties of Masons to their country.

We are living now in a period of great unrest, so great that many wonder whether our modern civilization is about to disintegrate. Ideologies foreign to our concept of man's destiny permeate the world and are listened to by attentive ears. There have been in the past few weeks instances of what presages the advent of dictators. There is a threat to the public school system of our country. But the individual Mason is prosperous, complacent, and apathetic; he has forgotten that Masonry is a hair shirt which girds him ever to

work. Masonry is not a calm and safe retreat, but a clarion call to action; and the Mason must work now, in the truest sense of the word, to earn his master's wages.

Connecticut reported a loss of 160. The Grand Master's address had Biblical quotations in the heading for each topic—most apt. The Special Committee on Lodge Attendance made a long list of suggestions including punctuality, proficiency and music in degree work and expansion in the social life of the craft, open programs, family nights, dances, and parties and picnics among others. The Committee on Masonic Youth Programs urged expanded support for DeMolay pointing out that many DeMolays have become Masons and some have served the craft in high positions.

Delaware had a gain of 152, one new temple and two new lodge rooms. The Grand Master reported that he had spent more than 200 nights or days and nights away from home at Masonic labor. On the other hand he had no official decisions or edicts and only nine dispensations. He urged support of DeMolay. He announced a Grand Master's Ball and supported strongly the holding of Ladies' nights by the lodges.

The Committee on Jurisprudence recommended for future consideration a provision for symbolic laying of cornerstones when the building is virtually completed. The topical review by M. W. Allmond was most interesting.

Florida showed a gain of 1,747. We mourn with them the passing of a great Mason and a personal friend Stafford Caldwell.

Seven lodges constituted, five, U. D., and six dedications indicate a healthy growth.

The mayor of Jacksonville greeting them urged a visit to the new jail among other places of interest.

The Grand Master forbade any Masonic intercourse with lodges composed even in part of Negro members. Approval was withheld until the next Grand Communication. The Committee reported a substantial growth in DeMolay. A Public School Night was urged for all lodges.

Georgia with a gain of 532 passed the 100,000 mark. Seven cornerstones were laid for temples. Two new dormitories for teen age girls and boys were built at the Home. Nine graduates are supported in college by the Higher Education Fund. Georgia adopted the Pennsylvania Plan for the George Washington Memorial. A stronger program was set up for Masonic education.

The Grand Master ended his address with inspiring words.

> We live in a time when all ask the question, "What of the future?" No man can give an adequate or accurate answer. As a bulwark against the future, there comes to mind the admonition of that great Mason, now gone to his reward, Brother Frank Land, "Let us not forget we are Masons." In this memory we are brought back to the fundamentals of our Order:
>
> Belief and faith in God, the first and greatest landmark, the cornerstones of any spiritual structure we can ever hope to erect;

The altar of obligation, the center of every Lodge and of every truly Masonic life, the altar whereat each covenanted with God and man;

The Holy Bible upon that altar, the great light of Freemasonry, the rule of faith and conduct for all who seek to enter that spiritual temple not made with hands;

The noblest concept of brotherhood summed up in the matchless words of the Great Teacher, "Do unto others as you would have them do unto you."

With these great precepts firmly imbedded in our hearts and minds, we, like our brethren of old who truly sought the light, face the future with confidence.

Idaho had a net gain of 32. It also adopted the Pennsylvania plan. Lodges are held on top of two mountains. The Grand Historian gave a fascinating account of the career of an early trapper, Joseph L. Meek, who took part in the settlement of Oregon.

Illinois had a net loss of 3,435. The Grand Master reports:

Activity in Masonry is indeed spotty; a number of lodges show an intense effort being made to improve. Several apparently are lacking in leadership, a most important asset; many lodges have conferred no degrees, some because of the location of their temple which is in an undesirable neighborhood. Many are continuing to make little effort to save suspensions. Some have taken too seriously that an appointment in line means certain advancement.

May I suggest that each lodge take an inventory of its place in Masonry and devote more activity to filling that place with honor and integrity. We are living too much on our illustrious past and are not giving enough thought to the future we seek.

Because of drives to secure endowments for its two homes, the Grand Master felt that it could not participate in the Pennsylvania plan for the present.

The Masons of Cook County support the Illinois Masonic Hospital without Grand Lodge assistance.

Lodges cannot contribute financially to DeMolay but the Grand Master recommends encouragement.

"The practice of genuine Freemasonry begins with the conferring of the Third Degree and conscientious Lodge officers will recognize at this point their clear duty to begin transforming a member into a Mason." Quoted from the Texas Grand Lodge magazine.

The Committee on Masonic Education provides some eight booklets including one entitled "What can I tell my non-Masonic friends." It maintains a Speakers Bureau, holds Grand Lodge Schools and sends out service letters.

Indiana reported a loss of 107. Due to work by the lodges on the urging of the Grand Master the number of suspensions N.P.D. was greatly reduced.

The Grand Lodge contributed $1,000 to the DeMolay Foundations and permitted lodges to contribute.

The Education Committee besides sending out Mentor kits has a film library for lodge use.

A special committee made a broad investigation of the problem of dual membership on the part of brethren who have moved to other states. Some 48 Grand Lodges out of 60 permit this. It felt that no change was desirable in the Indiana law which forbids such but urged all lodges to find a place for sojourners in their lodge work.

Kansas with over 100,000 Masons and 440 lodges had a net loss of 817. Six lodges held centennials and a 75 year award was made to a brother 101 years old. Cornerstones were laid for two new temples and three were dedicated.

Said the Grand Master:

> We are proud that no Grand Lodge in this Country severed relationships with any other Grand Lodge in the Nation before, during, or after the Civil War. Thus Masonry transcends the controversies and partisanships of Churches, Parties, States, or Nations.

We quote again on the condition of the order, a call for proper publicity:

> We urgently need to capture the interest of the younger segment of the adult male population from whose numbers many good Candidates may enter Masonry to further vitalize and strengthen our State Fraternity and to offset the depletion and enervation of our ranks by the increased number of deaths among our older Members.
>
> Freemasonry must answer a searching and disturbing question regarding its future: Is Masonry a vital force today or is it threatened by the early signs of decadence? An organization is far from functioning satisfactorily when it is having attendance problems, shrinking in membership, losing the interest and zeal of its Members, and failing to perform adequately its intended mission.
>
> Our Membership comes from those who voluntarily seek admission and who are then found worthy by our standards upon investigation. We do not desire to change this time honored custom, but I do earnestly believe that Masonry needs some definite form of adaptation to the changing trends of our complex present day human society.
>
> We must assume a more active and forward attitude toward bringing into the ranks of Masonry good young human material which may give our organization the virility and dynamic drive needed to reverse the downward trend which the Fraternity is experiencing throughout our Nation today. We must formulate organized plans to publicize Masonry in accordance with ethical practices whenever and wherever possible, and to promote in an effective manner the dissemination of knowledge, to the world at large, of the great spiritual values and uplifting influences of Masonry for the individual man and the great masses of common humanity. We are forced to eliminate the "shrinking violet" concept and discard the customary passivity which characterizes our attitude toward the acquisition of Worthy Members.

Our over all plan for Masonry needs a Committee or Department of Publicity to bring aggressively to the Public an awareness of the fineness, goodness, and greatness of our Order in all times—past, present, and future.

It would appear that Masonry is approaching the crossroads—the valley of decision; the situation presents an inescapable challenge to organized Masonry everywhere in our State and Nation. It is high time that the best brains, the greatest talents, and the most effective spiritual resources of our Fraternity be employed collectively and integratively toward bringing Masonry out of the lengthening shadows which are falling across its pathway into its proper and rightful place in the sun. The sacred charge is ours—as our fine heritage was faithfully conveyed to us in all its cherished light, truth, and beauty by our noble and illustrious forefathers, it is our binding obligation to transmit in improved, expanded and more effective form everyday practical Speculative Freemasonry to those good men who shall follow after us in the long line of succession of our Noble Order.

Kansas voted to permit dual memberships outside the state.

The State Master Councillor of DeMolay addressed the Grand Lodge. Prizes were given to six High School students won in a statewide essay contest—total value $1,700 in scholarships.

Kentucky (1959) showed a gain of 300 and had one 75 year award. The Grand Master recommended sponsorship of DeMolay, Rainbow Girls and Job's Daughters. Five Hundred Dollars was given to a DeMolay Scholarship Fund. "The majority of these DeMolay boys become Master Masons."

Louisiana's report is good—a gain of 389 with three new lodges and two U. D., six cornerstones of temples and six dedications. The Grand Master reported that more enthusiasm is necessary to get younger members.

With color TV and the televising of current events . . . the desire for joining with us is somewhat removed, unless the uninitiated gain enthusiasm thru the realization of the high principles for which we stand and then, regardless of outside activities, he becomes imbued with the strong desire to be one of us. It is only thru being active in our lodge affairs, and by exemplifying the moral and spiritual values of Freemasonry do the less informed appreciate that Freemasonry is a brotherhood united for the advancement of mankind.

The Acacia House at L. S. U. was finished and dedicated. Masons of the state contributed about $60,000 of the cost.

Three students from the Home are in college, and ten from over the state are being helped to get a college education.

Louisiana Relief Lodge No. 1 in New Orleans conducted many funerals and aided many sojourners. Altogether it served 110 out-of-town lodges. Two other Relief Lodges perform similar services in other parts of the State.

Request for the chartering of a Lodge in Thailand was put off since there was already a Scottish lodge there. However, plans were made to change the law to allow for such lodges should future occasion require them.

Past Grand Master Brannon of Texas gave the Oration, "Freemasonry—An Antidote for Space Age Ills." We quote

> Freemasonry places its emphasis on the individual. It points to the dignity of man. It teaches that man is above a world of things and is created for a higher destiny than that of earth. It teaches that man's security is rooted in his relationship with the Great Architect of his destiny. Through the strength of the Lion of The Tribe of Judah, he shall have fellowship with his Creator and here alone man finds true security. Over against the mad search for the material security found in things, Freemasonry sets the eternal destiny of man. The snare of material security enslaves the unwary. Freemasonry challenges man to find that eternal security, which survives time and things and moves out into eternity.

The Grand Lodge presented a statue of George Washington to the City of New Orleans. Brother W. A. Brucker, Secretary of the Army delivered the address.

Maine showed a loss of 159, the first since 1942.

> The traditions of the Fraternity forbid the solicitation of candidates and so we are dependent upon a favorable opinion conceived of the Fraternity and the desire of the uninitiated to become a part of it. We must strive, therefore, to so live and conduct ourselves that men will respect our Fraternity and wish to be affiliated with this society we love, and which we believe constitutes a real Brotherhood among men.

Maine Lodge No. 1 celebrated its 50th anniversary.

The Blood Bank program is a proud service of the Masons of Maine.

We are always glad to read the fine words of Brother Pollard in his reviews. Thanks for the compliments.

Massachusetts (1959) had a gain of 737. Many lodges held 50 or 100 year celebrations, each providing a history of the lodge. Would that all would do the same! Most interesting and valuable was a history of Masonic Lodges on Martha's Vineyard. Such contribute much to the local history as well. We read of a Royal Arch King Solomon's Lodge before 1791 giving the Royal Arch degree.

The Grand Lodge sent greetings to Lodge Glittering Star No. 322 of Ireland which as a military lodge in 1769 had a share in the naming of M.·.W.·.Joseph Warren as Provincial Grand Master of Ancient Masons in New England by the Grand Master of Scotland. This was the 200th anniversary of the chartering of the Irish Lodge.

We mourn with Massachusetts the passing of a great Mason, M.·.W.·.Samuel H. Wragg.

The Grand Lodge withdrew recognition of the Grand Lodge of France.

The Wayne Memorial Lodge and Board serve sojourning Masons.

The Committee on Historiology gave a fascinating account of Col. Hamstramck, a Mason who served in the Revolution and in the conquest of the Northwest Territory. A part of Detroit is named for him. It provided for the erection of a plaque in memory of Captain John Christie, Founder and First Worshipful Master of Lodge No. 1 at Detroit. He is buried in Charleston, South Carolina. The History of Freemasonry in Michigan 1764-1826 is ready for publication. We look forward to this volume.

The Grand Lodge appropriated $5,000 for the Youth Program of the DeMolay Board.

Deputy Grand Master Kent called for greater participation of Masons in public affairs.

> I have noticed, and I am sure that the community in which I live is not an exception, that when there is an opportunity for someone to present themselves as a candidate for election to the school board, I have a great difficulty in finding a Mason amongst the group. When an opportunity presents itself to run for the city commission, it is with great difficulty that you find a Master Mason in the group. And it seems to me, my brethren that the program we should follow is to ask not only you as Masters and officers and past Masters to live up to the principles which you are attempting to teach, but that you push the members of your lodge into that same effort, and do not sit there on what one speaker referred to as your "little fat oblongata", and pat yourself on the back and say, "Well, I am a member of the school board." That is not enough. We need more than that. I have no doubt that there are several members of the school board out there, and members of other community, civic service organizations. But there are too few.

The Grand Lodge voted as between dimit and demit and decided in favor of demit.

Minnesota with a gain of 32 had one new lodge, one cornerstone, and two dedications. The candle light memorial service memorialized three Past Grand Masters along with other Master Masons.

It was recommended that the American flag be displayed on the Masonic Temple or its grounds on all legal holidays. A committee was established to study possible improvements in the Masonic funeral service.

A Committee presented an amended Burial Service which was adopted.

Missouri had a loss of 759. The Grand Master expressed concern about the number of demits and suspensions. After a search for a Masonic Hall, he urged that all Masonic Halls or Temples be identified by Masonic symbols. The Grand Master attended a lodge at 4:10 A.M. and spoke until breakfast at 5:30. Over one hundred members attended this annual affair. Another meeting for degree work was held in a cave. He expressed opposition to the Pennsylvania Plan feeling that $130,000 if raised could be used to better advantage at home.

A lodge may sponsor DeMolay but not spend lodge money on it. The Grand Master was unwilling to set a lodge U. D. at work with ritual in Spanish.

The Oration dealt with the problem of Higher Education in Missouri, a serious problem everywhere these days. The Orator urged full support.

The Proceedings contained the last "Masonic World" by Ray V. Denslow. We all miss him greatly. This review contained valuable information on Masonry abroad, particularly a short history of Masonry in France.

The Proceedings of *Montana* make lively and valuable reading due to much participation in discussions. A net loss of 191 with one cornerstone and two new temples were reported.

In Montana also the Grand Master gave awards for the best six programs. The Masonic Temple at Virginia City, birthplace of the Grand Lodge, was damage by an earthquake. Donations for its repair came from Montana Masons scattered throughout the world. A surplus was set up a special Disaster Fund. A standing committee on DeMolay was set up: "The Order is a prime source of future Masonic material, culvating a sympathetic and receptive society and providing a stablizing influence throughout the youth of communities."

A committee on the Relationship of Masonry and the Church was established.

Nebraska (net loss 46) dedicated four new temples, two Masonic cornerstones and six others. A Public Relations committee secured good publicity for Masonic activities. The Committee on Fraternal Relations reported a Hungarian Lodge, the only one in active existence in Sao Paulo, Brazil.

The Grand Lodge of *Nevada* was opened with a very fine Flag Service.

> When Masons pay tribute to the Flag of our Country and pledge allegiance to the principles for which it stands, we do so with feelings deeper than just patriotic courtesy.

This Flag which we delight to honor, represents philosophies and principles especially dear to the heart of every true Mason.

Our Flag is not just a thing of material substance. It is a glorious symbol of Freedom, blessed with a noble heritage from the past, and leading, we fervently hope, to a magnificent and peaceful future. The history of our Flag is inseparably interwoven with the history of Masonry in our great land. Contemplation of this history brings before our minds a great host of honored patriots and true Masons, who carefully and thoughtfully wove into the fiber of this Flag the wisdom and age-old philosophies, the strength and endurance of truth and right, and the lofty ambitions of a noble race of free men.

Our Flag stands before us today, a symbol of hope. As we view with alarm the uncertainties of the future, Old Glory alone appears unchanged. It stands for all that we hope for. What, then, makes our Flag what it appears today? Is it something handed down to us by our forebears, or do we have a part in its making? If our future hopes are bound up in the Flag, and what it represents and stands for, it must be of the present as well as the past. Our Flag is what we make it.

What shall we make of our Flag?
The Flag itself might answer thus:

The work that you do is the making of the Flag. I am what you make me; nothing more. I swing before your eyes as a bright gleam of color, a symbol of yourself, the pictured suggestion of that big thing which makes this nation. My stars and my stripes are your dream and your labors. They are bright with cheer, brilliant with courage, firm with faith, because you made them so out of your hearts. For you also are the makers of the Flag, and it is well you glory in the making.

The report showed a gain of 113 with two new lodges. A number of cornerstones were laid for public buildings.

The Grand Master had one recommendation of special interest. "I recommend that each newly installed Worshipful Master of the Constituent Lodges of the State of Nevada must within 60 days following his installation read and study the entire Masonic Code of the State of Nevada and so certify to the Grand Master; or lacking suitable cause, be removed from office." It does not seem to have been acted on by the Grand Lodge.

DeMolay showed a good increase. Representatives of the organization were received.

New Hampshire had the small net loss of 4. Four lodges celebrated centennials. The Grand Master urged further support of DeMolay. Ten cents a member is assessed for its support. Two scholarships of $100.00 are awarded. Money is appropriated for chapters needing aid.

The Grand Master advised the formation of new lodges in smaller developing communities and the holding of semi-public Masonic functions "as a means of inducing prospective members to seek the bene-

fits we have to offer. On such occasions, a portion of the program should always be devoted to an exposition of Masonic history and ideals."

New Jersey had a loss of 146. Three cornerstones were laid. Two brethren received 75-year tokens and 348 50-year tokens. The Grand Master forbade the wearing of aprons of co-ordinate bodies at lodge meetings. He recommended that the Ritual Committee study the problem of Code Books and Ciphers. Thirty-seven Lodges have awarded scholarships. The Grand Lodge voted to sponsor an essay contest in connection with Public Schools Week.

The Grand Historian reported on originals or copies of many important documents dealing with the early history of Masonry in New York.

North Dakota had a loss of 174, due in part to members moving to other jurisdictions, but reported more raisings than deaths and many young members and officers. "This is good, youth attracts youth and begets activity." A Manual for Service Wardens is entitled "Looking to the East," modeled on that of Indiana. Past Grand Master Pond is preparing a History of Freemasonry in North Dakota for the Centenary Year 1964. The Grand Lodge erected a marker at Fort Buford on the site of the first Masonic hall in North Dakota.

A Master Mason must pass a proficiency test in the Third Degree before he can take a Demit, hold office in a lodge, or petition any of the appendant bodies.

The Grand Master recommended study of the small communities that have brethren but no lodge.

> Two World Wars have shown us the need for International Masonic Relations—we must help to prevent armed conflict, we must help to bring mercy, relief, and reconstruc-

tion when wars do happen. It is later than we might think for the Masonic Bodies on this continent. We must unite our own bodies for unity of action; we must refrain from further hair-splitting regarding ritual, jurisdiction and protocol; unless we do these things we will bury ourselves in our own shortsightedness.

Ohio with a loss of 396 constituted four lodges, instituted two, laid two Masonic cornerstones and dedicated thirteen lodge rooms. Some lodges have been conferring Honorary Pastmasterships to faithful brethren. The Grand Master recommended that the practice be stopped until further consideration. Mantua Lodge needed about $2,000 to assist an aged brother and wife. The Grand Master sent out a request for funds and received over $7,600.

We quote from the address of Grand Master Chilcote.

We must ever be alert to the fact that our fraternity and the principles for which it stands is a living, vital force. It has been so throughout the ages because the fraternity and the principles for which it stands motivate correct and proper action of all men and all Nations. In every Nation it adds to the strength of good government because Masons are good citizens and support democratic principles. It stands for Truth, Justice and Tolerance. It abhors Injustice, Intolerance, Ignorance and Superstition. It believes in a Supreme Being, a spark of which is ever present within us. It is religious but advocates no particular creed, leaving that to the individual Mason. It stands for Charity, Benevolence and Education. It is secret only in its Symbolic instruction and methods of recognition. It seeks to build character in men and thus in the community and in the world. Its Temples are in the hearts of men. Its purpose is to unite mankind. The correctness of its principles form a base to which all men everywhere can agree. It encourages the free association of men together so that they may be more enlightened as to the spiritual, intellectual, moral and ethical values in life—so that they become better citizens and leaders in all walks of life. Many men of many Nations are thus united through the teachings and philosophy of Masonry. It is thus observed that Masonry is a living, vital force for good in the world today.

Rhode Island (loss 173) is keeping up its magnificent youth program, with a Recreation Center, all sorts of athletic contests, vocational guidance, and job placement. At its center is DeMolay. Said the Grand Master: "It is my opinion that a prosperous future for Masonry depends on a closer affiliation with DeMolay. If we as Masons devote more *personal* attention to DeMolay I feel sure the boys will have more interest in Masons and Masonry . . . that they will want to become Masons." He proposed having Grand Lodge officers and D.D.G.M.'s present at as many DeMolay functions as possible.

We quote from the address of the Grand Orator.

> No free man would consciously exchange his freedom for bread or would willingly allow his government to place iron shackles on his hands for a promise of bread. And yet, thoughtless, well-meaning people allow this constant encroachment upon our liberties. Totally unaware of what is going on. And so, I say to you, the men who are charged with the duty of maintaining our Masonic fraternity, charged with the duty of exerting leadership among our members, charged with the duty of guarding our liberties; you must give your time your thoughts, your efforts into making the lessons of Masonry, its ideals and principles, human, alive and attractive to the members of our fraternity. There should be carried on in every Lodge in this great nation of ours, systematically, a program of education which would further spread the light of Masonry. Which would make men realize the tremendous responsibility and the need for action. Action individually and action collectively to guard against those who would destroy us. Opening and closing Lodge, reading the minutes and having lunch is not enough to fire men's imagination or stir men's souls to action. Between the opening and closing, week after week, month after month, we should bring to our members these great truths and lessons taught to us and convert those truths and those ideals into practical, everyday action. For it is only then that our vows will be fulfilled. It is only then that the light will overcome the darkness of ignorance, tyranny, slavery and oppression.

Tennessee had the fine gain of 1,023 with many new lodge halls. It voted to cooperate in the Pennsylvania plan. It also voted on recommendation of the Grand Master for a Memorial Service to be held in place of the Masonic Funeral if the family so desired.

Texas (1959) gained 1,719, constituted four lodges with five U. D., nine cornerstones laid, seven temples dedicated and six centennial lodges. Seven students from the Home have been sent on to college.

Texas adopted the Pennsylvania Plan.

We quote a passage from the Grand Orator's oration.

Finally, Freemasonry is unique in opportunity. The contribution of Freemasonry in the past cannot be denied by the honest historian. It has been one of the great factors in the building of modern civilization. The predominant number of Masons among the leaders of the American Revolution is staggering and the same thing is true of Texas. The record of the past is secure; it simply needs to be better known and emulated. What about today and the future? Does Masonry have a contribution to make to this day and age and the future? Surely none of us would be here if we did not believe that Freemasonry has a glorious role to play in today's world. When we consider the misunderstandings and tensions existing among nations, races, classes and faiths; we are enheartened and take courage at the thought of the fellowship and ties of Freemasonry. If ever there was a need for Masonry, surely that day is upon us now. The blatant need for the world bespeaks the opportunity of Freemasonry.

How can we meet the challenge of this opportunity? Simply by putting Masonry into action—conducting ourselves as Masons should; seeing that our Lodges function as Lodges should. The opportunity of Freemasonry is unique and our contribution can only be made in its fullness by letting our Masonry be Masonic. A Masonic Lodge is not a civic club and when it begins to function and act like one it is no longer Masonic. A Masonic Lodge is not a political party and whenever it begins to function as such it has polluted Masonry. A Masonic Lodge is not an elite social club and whenever it begins to act like one its Masonry has degenerated. A Masonic Lodge is not a church and when so considered Masonry is perverted. A Masonic Lodge is not a carnival and to make it such is a debasement of Freemasonry. Why attempt to compete with organizations that can far surpass us in their special field? Let Freemasonry be what it is, let it be Masonic. Let's build our attendance and interest by letting our Lodges be thoroughly Masonic in all they do. In no other way can Masonry fulfill its unique opportunity.

Utah had a loss of seven. The Grand Master urged interest in Youth as an important objective for Masons. The Committee on Youth Activities reported a gain in DeMolay but urged a strengthening of the individual chapters.

A plaque was erected on the site of Camp Floyd where the first Masonic Temple in Utah was erected in 1859. A history of this interesting camp is given.

Vermont (loss 132) dedicated one new temple. George Washington Lodge No. 51 celebrated its centennial with a history appended.

Only ten chapters of DeMolay are in the state but these are flourishing. The Grand Master said: "I cannot impress upon you too forcefully of the opportunity we have in sponsoring and helping in every way possible this splendid group of young men. I frankly

state we are not doing as much as we could or should for them. Many future members of our great fraternity come from DeMolay. Even above and beyond this thought, the very hope of our country lies within the hearts of our young men and women."

The Grand Master believes that lodges should participate in sports events, parades, etc., as desirable publicity, but Lodge paraphernalia are not to be displayed. This was approved by the Grand Lodge.

Virginia made no statistical report. The Grand Secretary noted that fewer young men are joining the fraternity and urged work to cut down suspensions and demits.

One cornerstone was laid and the Grand Master took part in the laying of the Cornerstone of the East Front of the Capitol in Washington on July 4, 1959.

An interesting discussion of the use of the word Ancient was followed by a proposal that Virginia drop the word. This was rejected by the Grand Lodge.

Ruling: a Lodge could not entertain a petition from a profane with the little finger missing from the right hand.

Past Grand Master Smith is active in the program for Masonic Education—workshops, master's kits, service letters, speakers' bureau and recordings of speeches and music. He is hoping to establish a conference of Grand Lodges in this area on Masonic Education.

Washington with a loss of 203 laid four cornerstones, dedicated four temples and constituted one new lodge. The Grand Master visited fifteen lodges in Alaska, missing one.

We quote from the Oration by the Grand Orator:

> I am now going to tell you about another man—a man whom I know very well. He is just a small farmer with a grade school education and no special talent.
>
> Never in the years that he has lived in the community where he resides has he made more money than we would say would be required to meet the needs of his family. During those years the poor, the widow, the orphan and the hungry have worn a pathway to his door, and never, never once has anyone in need been turned away.
>
> He does not always have enough to supply their needs. If he does not, he will get in his car and start about the neighborhood collecting the things necessary to provide for their immediate needs until more permanent arrangements can be made.
>
> Because of his Convictions, that community is a better community, as God saw fit to let him pass that way in his journey through life.
>
> What are his Convictions? They are a simple faith in the Fatherhood of God and the Brotherhood of Man, without the least equivocation, mental reservation or secret evasion whatsoever. His guiding light? It is the Great Light of Masonry. He has been a member of the Craft for almost fifty years.

> So you see, my Brothers, Masonry has never asked of any man more than he has to give. But it does demand of each of us the best that we have and Convictions, and Convictions alone, will cause us to give of our best.

West Virginia gained 275 and laid cornerstones for two new temples. The Grand Master recommended support for DeMolay. The Grand Lodge is studying the matter of permanent headquarters. It supports two scholarships at the University from the former Loan Fund.

Wisconsin had a loss of 565 but laid three cornerstones and dedicated six temples. The Grand Master felt that a District Deputy system was not needed in Wisconsin. Nine lodges celebrated centennials.

DeMolay is growing since sponsorship was approved.

The Grand Master was made an Honorary Member of the Grand Lodge of France.

No Masonic trials were held.

Wyoming (gain 66) constituted one new lodge and instituted one U. D.

The Grand Master urged support of DeMolay, Job's Daughters, and the Acacia Fraternity including a loan for the Acacia House at the University.

The Grand Lodge History has been published and work is being done on the history of each lodge.

FOREIGN GRAND LODGES

For some reason very few Proceedings from Canada and Australia have come into our hands this year.

Alberta gained 257 with two lodges constituted and two instituted U. D. A third was continued U. D. The Grand Master stressed the need for strong Masters with ideas and planned meetings. He called for dignity and quiet during degree work, discouraged petty jokes at the expense of candidates and the telling of shady stories at refreshment. A Tyler who in forty-two years of service had missed three meetings was given life membership. Regulations were set up for regalia—jewels and aprons for officers and appropriate occasions. Seven bursaries (scholarships) were given to students for college work. M. W. Hegman of Minnesota at the banquet said "Freemasonry is not an organization . . . it is a way of life, a way of life that projects the character of a man to usefulness beyond his ken."

New Brunswick gained nine. We miss the name of Brother Magee. A Memorial Plaque to him was unveiled. The words of the Grand Chaplain: "This is what you have found in the lodge room—first the light of knowledge—then the light of faith, then the light of fellowship: The Worshipful Master, approaching from the East, his hand outstretched in fellowship. This fellowship is symbolic of the fellowship of the Grand Master of the Universe. In that fellowship we have our true security."

Nova Scotia lost 57. "It may interest nature lovers that during his thirty thousand miles of travel visiting lodges in Nova Scotia,

the Grand Master was greeted at the roadside by one wild cat, three raccoon, ten rabbits, sixteen foxes, and fifty-eight deer." DeMolay is growing in the province. St. George's Lodge No. 20 celebrated its 175th anniversary. A very fine short outline of the history of Masonry in Nova Scotia by R. V. Harris is given. "I confidently assert that we in this territory have an unrivalled Masonic history and tradition, unmatched by any area in America. Here Masonry began in the New World! The first lodge was founded in 1738.

England recognized the United Grand Lodges of Germany. Northern Lodge of China No. 570 in Shanghai has ceased to meet. Founded in 1849 it was the sole survivor of the District Grand Lodge of Northern China.

Steps are being taken toward the founding of a Grand Lodge of India.

Ireland reported the same. Lodges can join or remain under their present jurisdictions.

Report is made that the four Constitutions in Auckland, New Zealand, have united to found a home for the aged.

Many Irish lodges are reported flourishing in Hong Kong and Malaya.

Reports indicate steady growth in the Provincial Lodges in Africa.

The Grand Lodge of *France* has published a short but valuable History of French Speculative Masonry. We have had many communications from this Grand Lodge. Let us hope that efforts at unity in France may prevail.

Germany in 1959 reported 367 lodges with a gain of 2,000 members. Ten lodges were added later. In 1960, it recognized the new Grand Lodge of Belgium. The Grand Master expressed a desire for not only young men but older men, capable of leadership, to join the fraternity.

DeMolay is making progress in Germany.

The Grand Lodge sends us a Masonic Enlightener in English, a journal called *Die Bruderschaft* in German, and a report of the research lodge.

Some eighty-six brethren accompanied Grand Lodge officers on a Masonic flight to New York and Washington for the meeting of the George Washington National Memorial Association. They christened their plane *"Bruder George Washington."*

A public meeting was held in Bremen with large attendance.

Masonry is growing in Germany.

The *Grand Lodge of Greece* reported on its meeting in January 1960. We learn with regret of the resignation of Dr. Perakis as Grand Master but greet his successor, M. W. Bro. Vlissides. Numbers are growing, total membership 7,036. The lodges in Cyprus are working again, two lodges exist in Egypt and one in the Sudan. Plans are underway for rebuilding the Grand Lodge Hall in Athens.

Many lodges are supporting night or technical schools for underprivileged children or working youths. An organization for the Moral Rearmament of Youth has been founded, and received wide recognition and expanded as far away as India and Brazil.

Particular greetings are due to the Grand Lodge of Greece from this reviewer who has spent his life in the study of Greek culture and has been signally honored by that Grand Lodge. It is a pleasure to be able to make such a fine report.

On the other side of the world the *Philippines* reports great activity. The new Grand Master M. W. Br. Bewley is an educator from Tennessee who began his educational service in the Philippines in 1901. John Phelps of Florida was present at the Grand Lodge meeting. Ten thousand one hundred and thirty-two members, a gain of 269, showed progress, with two lodges constituted, five U. D. and three temples dedicated.

The Grand Lodge supports a Masonic Hospital for Crippled Children.

A Lodge of Research is being formed.

The Grand Master urged the support of DeMolay. "The future destiny of our Masonic membership and our national leadership depend on our willingness and interest in sponsoring DeMolay chapters and causing the boys to join the Order. I therefore recommend that all Lodges form and sponsor DeMolay chapters in their localities."

The Grand Lodge sponsored an essay contest on the lives of three great Filipino Masons.

Japan at its third annual communication reported fifteen lodges one constituted, one U. D. and one to be formed, and a gain of 137. The Grand Master is a Japanese born in San Francisco and a graduate of the University of California now resident in Japan. A great increase is noted in the number of Japanese in the lodges. Grand Commander Smith 33°, Claud Young, Harry Bundy and Nicanor Baptista of Venezuela were made Honorary Members for services to the Grand Lodge.

Ten chapters of DeMolay were founded but only four survive. The Grand Master urged more active support.

Western Australia (gain 18) has one new lodge. The Grand Lodge is participating in the building of a new wing to the Alfred Carson Hospital.

> "Because there never has been a prescribed or approved form of Masonic Burial Service, because the use of such a Service has virtually fallen out of use, and, above all, because the funeral of a member of the Craft ought to be performed according to the rites of the religion to which he owes his allegiance, the use of any Masonic Burial Service should be prohibited."

South Australia gained 435 with two new lodges and four new temples. The Grand Master discussed the problem of appropriate dress at Lodge meetings. He also urged more attention to Masonic research and education.

The Grand Lodge has built a number of double-unit flatlets for aged Masons and their wives. Each is well-equipped. All the tenants pay is the cost of gas and electricity.

Tasmania had a six-month increase of 32.

The Grand Master dealt with the problem of entertainment.

> I do not want to be dogmatic, but I am going to mention to you some matters that I think should be examined by all Lodges. A perusal of the financial statements of the Lodges shows in most cases an alarming increase in the cost of refreshments. The expenditure on refreshments appears to be out of all proportion to other expenses. Are we getting away from true Freemasonry in this matter? Should our donations to charity be greater? Would our attendances fall if we spent less on refreshments? What would be the reaction if it was suggested that less money be spent on refreshments and contributions to Grand Lodge increased?

He urged at least three nights a year to be devoted to education. Tasmania too suffers from the moving of members with resultant unaffiliation. The Grand Master urged attention to the problem.

From *New Zealand* we received a copy of "The New Zealand Craftsman" with a review of the proceedings of North Carolina. The 1959 Proceedings showed a gain of 593. A committee is working on the problem of loss of membership due to moving. The benevolences of the Grand Lodge are magnificent.

Many communications have been received from Latin-American Grand Lodges: Chihuahua, Oaxaca, Tamaulidas, and Nueva Leon in Mexico, el Salvador, and Ecuador, a magazine from Occidental Cali of Columbia with an account of its founding. Two copies of *Revista Masonica* of Peru indicate that Masonry is flourishing now in that jurisdiction. *Costa Rica* sent us a booklet with a list of officers, recognitions, and a fine picture of a beautiful lodge building.

Sao Paulo sent its Proceedings, happily with an English translation. We congratulate them again on their achievement of unity. The new Masonic Temple was to be dedicated November 15, 1960. Plans have been made for a Masonic Home.

> In many countries of South America the intolerance of certain religious groups against Masonry still prevails with marked aggressiveness. There are indications, nonetheless, that this intolerance is no longer so intense in certain parts. Would this be the consequence of more comprehension on the part of those groups or merely the result of the strengthening of our ranks, annulling in part our unyielding adversaries?

Respectfully submitted,

WALLACE E. CALDWELL, *Chairman*
Committee on Fraternal Correspondence
